Discussion:

Welcome and Introduction:

Mr. Prakash Bishwakarma, District Coordinator, Ramechhap welcomed Krishna Lal Piya as guest and all the participants. He further thanked all the participants for their active participation in the orientation. He informed all the participants about the sessions of the program

He handed over the floor to Mr. Mohammad Jawed, DIMO to present on NRA's 5W. The orientation was mostly focused for the staffs at data entry level of Partner Organizations.

IM Session on NRA 5W:

IM session on NRA 5W was started with background of HRRP 4W Matrix and its working modality. How activities are inserted in matrix. Moreover, participants were made aware about the phase out of HRRP 4W and intervention of NRA's 5W. They were also notified what extra columns were added to gather relative information in matrix. All together products produced regarding HRRP 4W and upcoming NRA 5W were presented.

Participants commended to cope with 5W Matrix of NRA and showed their active participation in orientation. At the same time the floor was opened for discussion parallelly with orientation. Issues were raised and possible issues were addressed there itself.

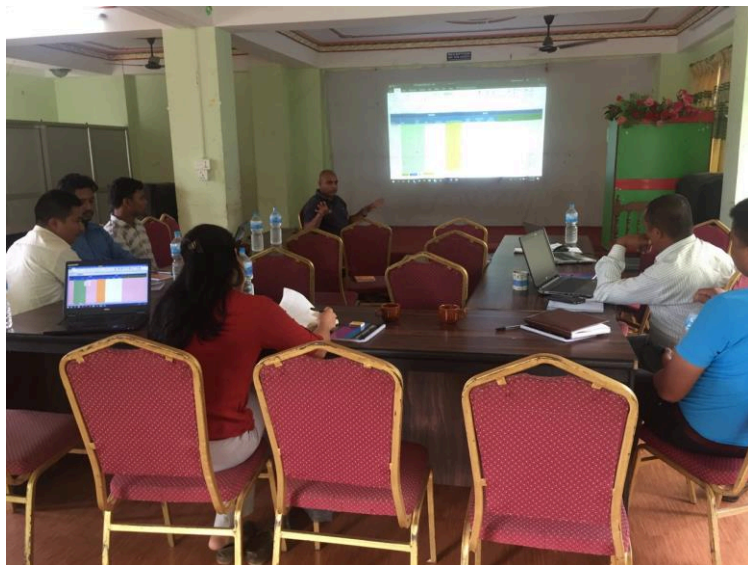

The program then followed by exercise, where participants were given four activities from different sectors to put them down in 5W matrix dividing them in a group. Most of them were familiar with 4W Matrix which made them easy in inserting the given data. All of participants did well and few issues were raised there as well after they practiced.

Closing remarks was delivered adding highlights of HRRP Phase 4, where partners appreciated HRRP for being in district and being an agent of coordination, a part of technical support and a data hub for reconstruction.

Questions Collected	Who asked the Question?	Response Provided
1) What is mean by planned in 5w Activity Status?	Helvetas	The activities which are planned for future by Partner Organization is going under the “planned” in activity status.
