 - a. Sharing of information collected/ documents reviewed by TWG members
 - b. Preparation of detailed Work Plan for each sub-group, roles and responsibilities

Training Sub-Groups	Standards Sub-Group
A: Training Curriculum Review	A: Design
B: Training needs and delivery strategy	B: Construction Guidelines/ Materials
C: Quality assurance	C: Retrofit/ Maintenance
	D: Settlement

Discussion and decision

1. Updates
 - NRA has already written to Ministry of Urban Development regarding to resume the Training Activities as per the MoUD/ DUDBC training curriculum
 - The training materials Earthquake Resistant Building Construction for Masons (7 days' DUDBC curriculum) has been made available to HRRP and uploaded on Google Drive link folder for Training TWG members
2. Preparation of Detail work plan from Training TWG
 - Training TWG decided to form one consolidated group rather than dividing into 3 sub-groups as proposed.
 - HRRP would advocate the recommendations of both the TWGs to DUDBC and NRA for improving on the activities related to Housing Training and Housing Standards
 - Training TWG would discuss upon critical issues related to training, which include:
 - Need for training activities of longer duration vs. Focusing more on practical application
 - Needs assessment of masons [1 trained mason required per 10 houses; It takes at least 3 months to construct a 2 room house]
 - Flexibility of contextual addition/ modification in Training curriculum as per the availability of local resources and technology
 - Harmonizing of Training curricula developed by Partner Organizations, other than the DUDBC or the CTEVT curriculum

- Issues related to seasonality for mason training and Housing construction
- Issues related to selection criteria for participants and trainees
 - Not every mason would have a certificate from training institute
 - POs Experience: Red Cross provided training for 1 skilled mason, which
- Role of engineers to monitor the capacity of masons
- Linkage of Technical Training with Social Mobilization
- The team members of the Sub-groups for Housing Standards would be sending their detailed action plan by **COB April 8, 2016**

4. Action Points

For the Partner Organizations:

- Finalize the Detail Work Plan of Technical Working Group
- Start providing inputs as per the schedule of the work plan

5. Next Meeting and Agenda

- 12th April, 2016; 3 - 5 PM at HRRP
- Agenda:
 - Sharing of the activities completed/ in progress by the members of TWG

Meeting Participants List/Attendance Sheet

Organization	Name	Designation	Contact No.	Email
Build Change	Liva Shrestha	Lead Structural Engineer	9841352100	liva@buildchange.org
HFHI	Ana Gatoo	S. Manager Technical Services	9801133815	anagatoo@@habitatnepal.org
NRCS	Dipak Giri	Shelter & Construction Coordinator	9851097469	dipak.giri@nracs.org
