

HRRP Coordination Meeting, Kavre, Meeting Minutes

Date: 29/11/2016

Time: 11:30 a.m. - 1:00 p.m.

Location: DUDBC Hall, Kavre

Chaired By: Asta Lal Suwal (DUDBC, Kavre)

Facilitator: Reshma Shrestha, Panch Dev Bhatta

Participant Organizations: DUDBC Kavre, HELVETAS, Caritas Nepal, Mercy Corps, HfH, ASF, LWF, ARSOW Nepal, Navjyoti Center, CDRA Nepal/ROTARY, DLPIU Engineers, HRRP

Agendas

1. **DUDBC Updates on Housing Reconstruction**
2. **On the Job Training (HELVETAS)**
3. **Housing Reconstruction Issues and Information Sharing**
4. **HRRP Updates (Q/A, Briefing Pack, NRA Updates)**
5. **AoB**

1. **DUDBC Updates on Housing Reconstruction**

- 1,036 houses are being reconstructed in 66 different VDCs/Municipalities of the district under DLPIU engineers' supervision. 814 houses have been reconstructed across 44 VDCs/Municipalities by the house owners on their own.

2. **On the Job Training (HELVETAS)**

- HELVETAS is planning to conduct On the Job Training in 30 VDCs of Kavre district with a total target of training 970 masons and 160 carpenters.
- Experience and detail process of working with OJT in other districts were shared.

3. **Housing Reconstruction Issues and Information Sharing**

- Habitat for Humanity has trained 20 trainers on Compressed Stabilized Earth Blocks. A Preliminary Monitoring and Evaluation of 200 houses being reconstructed has been completed; the report of which is being prepared. Under the Market Development plan, a market study regarding vendors profile, price, supply capacity, etc. will be done targeting Banepa and Panchkhal Municipality.
- LWF raised the issue on shortage of construction materials like Sand, Aggregate and Stone. Also, as the quality of these materials has degraded, LWF had to delay house reconstruction. Quality Assurance majorly of Sand, would be a challenge.
- Water can be an issue in most of the VDCs. As it is the major reconstruction issue in Koshidekha VDC, an agreement is on process to supply water to the VDC from Melamchi river, according to Navjyoti Center.
- Soft wood is the majorly available wood across the district. In VDCs like Balting, Sishakhani and Bhimkhori, house owners are using soft wood even for plinth band as they were directed to use wood for bands by the engineers. Such practices should be timely responded to and house owners need to be encouraged to use hard wood at

least for the plinth band or choose other alternatives for the plinth. Timber Acquisition from the District forest and Community Forest should be simplified.

- Alternatives for timber need to be sought and promoted. LWF adopted steel truss roof in their working areas. HfH has experiences in bamboo and is promoting the same. Treatment for Timber and Bamboo for added strength and longevity is a challenge and since HfH has been working with bamboo, they have solutions adopted for treatment of bamboo.

4. HRRP Updates

- "Guidelines related to Land Registration of Earthquake affected Population" has been published by NRA. The document outlines the eligibility and application process for land registration. To address the issues regarding land registration of earthquake-affected population, Land Registration Committee will be formed in each one of the earthquake-affected districts.
- A notice was issued by NRA for Land Registration within 60 days on 22nd Nov. Partners were requested to communicate the information in their working VDCs.
- HRRP has prepared a Briefing Pack with an intension to provide organizations and personnel working on the housing reconstruction with the key documents regarding reconstruction which is available on HRRP website.
- HRRP has been working on 'Q&A' document which answers the general question related to housing reconstruction. The first draft has been shared at the national level. Partners were requested to share the questions that can be included in the document.

Action Points

1. Coordinate effectively with Govt. bodies (DLPIU/DUDBC/DDC, NRA) and POs and share information/updates.
2. HRRP to initiate discussion on Market Supply Chain and Quality Assurance with related Government Authorities (NRA, DUDBC, DDC, DFO).
3. HRRP to coordinate with HfH and ASF/Abari for technical discussion on 'Use and Treatment of Bamboo' and 'Adobe and Rammed Earth Construction'.

Next Meeting

The next HRRP Coordination meeting will be held based on need of the meeting and with consultation with govt. authorities and POs.

Meeting Participants List/Attendance Sheet

S.N.	Name	Designation	Organization	Contact No.	Email ID
1	Asta Lal Suwal	Division Chief	DUDBC, Kavrepalanch ok	9751090249	dlpiu.kavre@gmail.com; dudbckavre@gmail.com
2	Krishna Kumar Tamang	District Program Coordinator	Caritas Nepal	9841576311	krishna.caritasnepal@gmail.com
3	Subash Tripathy		Navjyoti Center	9808970005	chintankranti@gmail.com

4	Anup Kumar Shrestha	Operation Officer	CDRA Nepal	9841822671	sthaanup@yahoo.com
5	Ritu Barna Silwal	Project Manager	Lutheran World Service	9841213313	pm_perlrp@lwf.org.np
