CFP all round water issue (Jan-Aug 2017)

Water Supply Issue

Note:
This map shows the number of households that have completed reconstruction of their home as a % of the total number of eligible households, including resolved grievances (as of 5 September) with an overlay of locations where people have reported to the Common Feedback Project (CFP) that they are finding it difficult to access water. The CFP data comes from four rounds of data collection (Jan-Feb 2017, March-April 2017, May-June 2017, and July-Aug 2017). All CFP reports and data are available at www.cfp.org.np.
