Problem associated with CS entry solved: Problem associated with CS entry software in uploading inspection form was solved after an hours of work in DLPIU. At that time Technical Coordinator was busy in taking note on compliance cases and their reoccurrence and Information manager was busy in solving problem associated with CS entry. As per DSE, compliance rate is high in stone masonry buildings now compared to past. But correction has not been implemented in non-compliance buildings. She also added that there are still problems in RCC building which need to be analyzed through software.	techcord.dolakha@hrrpnepal.org ravi@hrrpnepal.org
