बस्ती पुनस्थापनाको काम अघि बढेन

शिव उप्रेती
गोरखा, असोज २४

भूकम्प र पहिरोको उच्च जोखिममा रहेको बस्ती स्थानान्तरण गर्ने निर्णय भएको लामो समयसम्म पनि पुनस्थापनाको प्रक्रिया अघि बढेको छैन। भौगर्भिक अध्ययन गरी पुनस्थापितको सूचीमा सूचीकृत गरेको लामो समय हुँदासमेत बस्ती स्थानान्तरणको प्रक्रिया नअपनाइएको हो।

राष्ट्रिय पुनर्निर्माण प्राधिकरणको जिल्लास्थित अनुदान व्यवस्थापन तथा स्थानीय पूर्वाधार एकाइका अनुसार गोरखाका छ वटा बस्तीका चारसय ६० घरधुरी पुनस्थापना गर्नुपर्नेको सूचीमा छ। तीमध्ये कैलालीको मात्रै तीनसय ४७ घरधुरी पुनस्थापित गर्नुपर्नेको सूचीमा रहेको एकाइका प्रमुख रामकुमार श्रेष्ठ बताउँछन्। भूकम्पपछिको पहिरोका कारण बारपाकको ५५ घरधुरी, मुचुङको ३२ घरधुरी बिस्थापित छन्। त्यस्तै सिर्दिबासको १६ घरधुरी, उहियाको ९ र मान्बुको एक घरधुरी पुनस्थापित गर्नुपर्नेको सूचीमा रहेको कार्यालयले जनाएको छ।

बिस्थापितमध्ये कैलालीका ४२ घरधुरीलाई मात्र नयाँ ठाउँमा घर बनाउन जग्गाको लालपुर्जा वितरण गरिएको छ, श्रेष्ठले भने, 'अरु ५० घरधुरीको नाम स्वीकृतिका लागि असारमसान्तमा प्राधिकरणमा पठाएका थियौं तर बाँकी पृष्ठ ३ मा

Questions Collected

Question	Who Asked the Question?	Response Provided (By Whom)
Should beneficiaries follow the right of way rule or not during house reconstruction?	Beneficiaries	NRA does not have any role in this. Beneficiaries should coordinate with local bodies and act accordingly for reconstruction of houses.
Where can beneficiaries get the information regarding returning the first tranche money?	Beneficiaries	Beneficiaries can get the information from the GMALI office in the district or contact the NRA hotline number for the information regarding how to return the tranche money.

Challenges and Way Forward

Challenge	Way Forward
How can NRA address beneficiary's dissatisfaction regarding grievance result?	They can submit their dissatisfaction in a written form to district GMALI/NRA. NRA/GMALI will give answer to them.
How can beneficiaries access second installment of retrofitting grant? What mechanism has been set up for it?	The beneficiaries can consult with the engineer's based in the field for retrofitting measures to be implemented. Then after completion of measures recommended by engineer, the technical team will inspect the house and recommend it to DLPIU housing. The DLPIU housing will then investigate the file and if found correct will forward it to GMALI for processing the payment.

Case Study

Single Woman's House Reconstruction

This case is of 75 years old Kanchi Gurung, who is residence of Singla village, a remote village in Dharche Rural Municipality. Earlier she had been residing in temporary shelter and refused to build house. After tole level meeting, with the support of ODRC/UNDP, arrangement was made with the local contractor to build those vulnerable houses without profit (Only Labor cost). Similarly, the conversation was made in such a way that she will pay them later once she gets government tranches. She then allowed to demolish her old temporary shelter to build a new house. The construction was completed within 2 months' time. Now she has already got 2 tranches and UNDP/ODRC technical team has facilitated her for construction monitoring and it under process of third tranches. She has been able to build houses with in the government aid using old usable materials. With the collective effort of everyone, Kanchi Gurung's house was completed.
