

Housing Recovery and Reconstruction Mapping (GIS Mapping)

Infrastructure setup – Data Presentation

Monitoring and Evaluation

The form is a vertical rectangle with a blue header, a white body, and a green footer. It contains the following information:

- Header:** Habitat for Humanity Nepal logo.
- Phone Number:** 24-66-8-0-236
- Name:** Achyut Prasad Paoudel
- Location:** Panchkhal - 8
- QR Code:** A square QR code used for identification.
- Footer:** Nepal Earthquake Assistance Program

Functions of HRRM

HELP IN TRACKING PROGRESS AGAINST TARGET

Whether project implementation is going according to workplan or not ?

HELP IN TRACKING QUALITY AGAINST STANDARD

Whether the project implementation is having organizational and community standards or not ?

Why data analysis and visualization?

- Understanding the factors and their relations.
- Identifying the urgency of process.
- Track progress against baseline

Platform : data Management and Presentation

- Spreadsheet (Excel) Environment
- Paper Maps
- Web environment

Spreadsheet Environment : HSSC Visitor Recording System

The screenshot displays the HSSC Visitor Recording System interface within a spreadsheet application. The interface is divided into three main sections: a dashboard, a data entry form, and a data visualization chart.

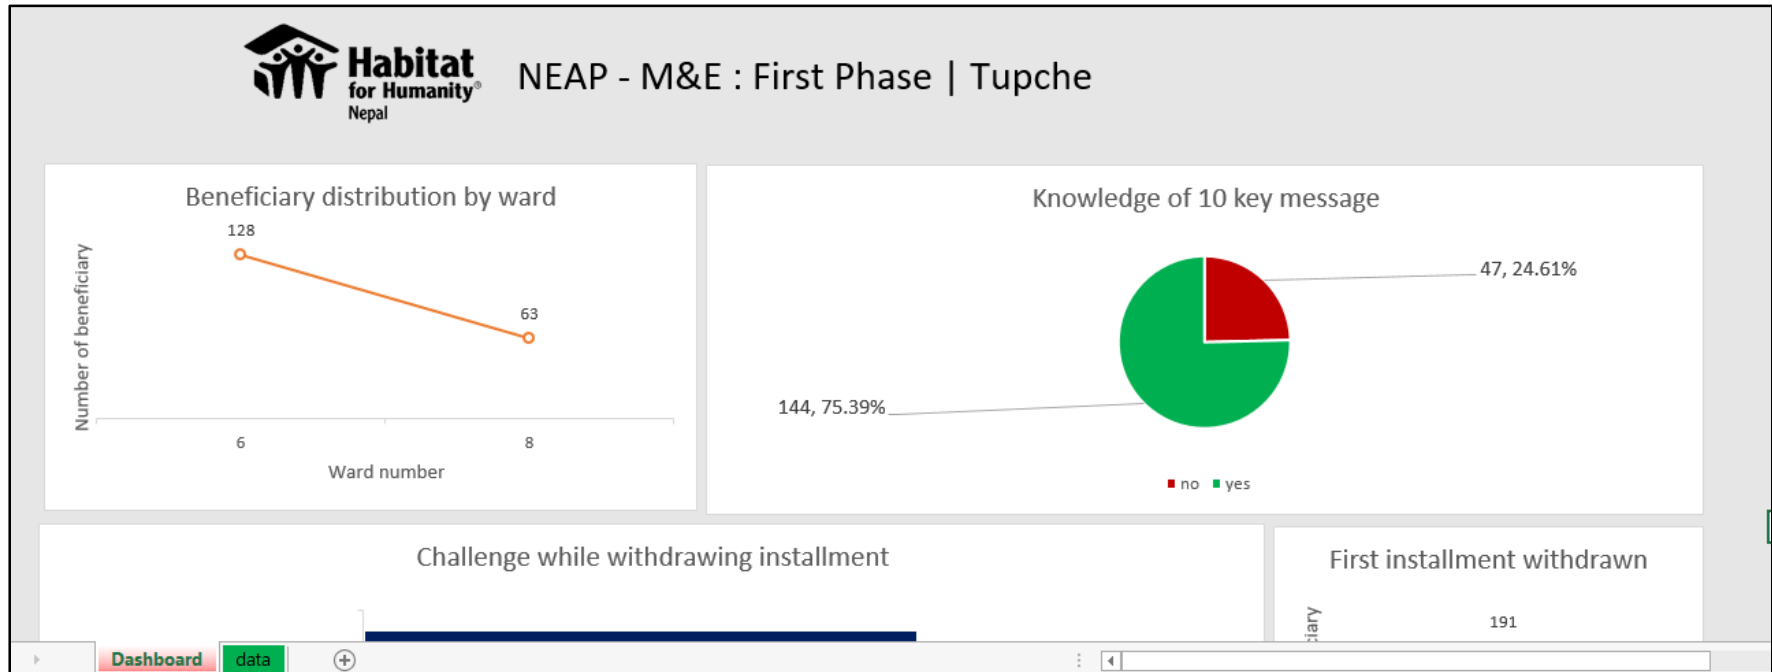

Dashboard: The dashboard features the Habitat for Humanity Nepal logo and three buttons: "Fill Registration Form" (green), "Go to Home" (orange), and "Go to Database" (blue). Below the buttons is a bar chart titled "Distribution of beneficiary visiting HSSC".

Data Visualization: The bar chart shows the number of beneficiaries visiting HSSC by gender and purpose. The Y-axis is labeled "Number of beneficiary". The X-axis categories are "Male" and "Other". The "Male" category has a value of 8, and the "Other" category has a value of 1. The chart is titled "Distribution of beneficiary visiting HSSC".

Data Entry Form: The "HSSC Visitor Entry Form" is a modal window for recording visitor information. It includes fields for ID, Date, Name, Gender (Male/Female), VDC, Ward, Toile, Contact Number, Enrollment No, Purpose, and Suggestion. A "Reception by" dropdown menu is also present. The form has "Clear", "Add", and "Cancel" buttons at the bottom.

Spreadsheet Environment: The interface is set within a spreadsheet application with tabs for FILE, HOME, INSERT, PAGE LAYOUT, FORMULAS, Custom, DATA, REVIEW, VIEW, and DEVELOPER. The active sheet is named "Report". The "Data" and "Options" tabs are also visible. The "Report" tab shows a calendar for December 2016 and a bar chart for the distribution of beneficiaries.
