HRRP

HRRP 2.0 Weekly Update

Dear Partners,

We are pleased to share updates and information from the HRRP team.

1. Personnel Changes

- **Loren Lockwood** is the new national coordinator for HRRP, funded by CRS (lloren.lockwood@hrrpnepal.org).
- **Prajwal Sharma** is the new Government Liaison Officer (prajwal@hrrpnepal.org).
- **Lea Moser Haug** will be joining HRRP on 1 Nov as the Eastern Hub Coordinator, funded by SDC (lea.moser@hrrpnepal.org).

2. General Updates and Information

- The NRA executive committee recently finalised the **Standard Operating Procedures (SOPs)** for the inspection process linked to housing grant disbursement. The SOP and associated forms (such as the compliance checklist) are expected to be released in the coming days and we are working to organise an orientation session on this to be held soon. We will keep you informed as we find out more.
- A meeting of the Strategic Advisory Group (SAG) was held on Tuesday 25 Oct. Minutes will be shared soon. If your organisation is interested to be part of the SAG please feel free to contact Loren. The Platform is particularly keen to have a higher number of local NGOs represented in the SAG.
- In his new role, Loren met this week with a range of actors, including the NRA, World Bank, NSET, and POs in order to better understand the priorities of all stakeholders. A planning meeting of the full HRRP staff (District and National Level) is being held today (28 Oct). Minutes and outcomes will be shared soon with all members.
- An 'introduction pack' will be made available on the HRRP website next week, including essential policy documents and links related to the housing reconstruction programme. The HRRP team is available to provide orientation sessions to newly arrived staff and organisations. If you or your organisation is interested in this, please write to info@hrrpnepal.org.
- HRRP currently has two Information Management Officers embedded within NRA, together with the Information and Communication Unit and Management Information System (MIS) team in the NRA, working on finalising the IM strategy and development of MIS system.
- HRRP invites partners to put any events or trainings on our website for promotion.

NRA-5W: What is That!

A	B	C	D	E	F	G	H	I	J	K	L	M
Dear Partners,												
This 5W tool is meant to provide an inventory of reporting activities that Partner organisation have been conducting in the field in support to the recovery and reconstruction after the Nepal Earthquake. The 5W was originally planned to be a part of the web-based PMIS where the Partners directly report to. Many partners have been very reluctant to report timely to the PMIS and therefore HRRP is facilitating the collection of multi-sectoral activity status in the Earthquake affected districts. Please kindly fill in the '5W' matrix with the requested information. Refer to the instructions below or reach out to the HRRP district IMs directly by writing to im.national@hrrpnepal.org .												
Frequency: 5W information has to be <u>reported monthly</u> . Please note that the District Coordination Team needs you to send the updated spreadsheet <u>by 6pm on 23rd of every month</u> .												
Thank you, HRRP Information Management team												
HRRP-NRA-5W v2.0												
About the tool?												
There are four sheets visible to users in this workbook: Read Me, Org_Info, 5W and Activities Index												
Read Me provides basic information on how to use this information management tool.												
Org_Info is the data sheet where organisations will have to input the organisation and project details												
5W is the data entry sheet which partners use to report their activities.												
Activities Index provides a detailed list of activities being reported in the 5W, their units and other details.												
How to use the 5W sheet?
