- presented action plan priorities for upcoming fiscal year focusing on reconstruction, livelihood, community infrastructure, developing policy framework and its implementation
- concluded the program

Challenges / Issues Identified	Action Required	Responsible	Timeframe
Banks treat beneficiaries with their appearance/outlook so that beneficiaries are not receiving their government grants on time even if their grants are already recommended from kolenika	Bank should publish beneficiaries lists in their noticed board	Banks, NRA, CDO	Daily
Even technical staffs in the field do not know the status of files if the files are rejected from DCC – need to resolve	Old files which are not registered in the system are being looked for and registered	DCC/GMALI	Immediately
Beneficiaries receive tranche immediately if they have power and relation and access, otherwise, there will be uncertainty of their files to be proceed	Systems will have to establish, manpower, need to be added, and must be first cum first system data entry	GMALI, DCC, CDO	Daily

Questions Collected

Question	Who Asked the Question?	Response Provided (By Whom)
Why was the restructuring of NRA done even after 3 years of earthquake?	Ward Chairperson	This restructuring was done in line with the restructuring of local bodies and to make NRA more efficient and to speed up the service delivery. (NRA Gorkha)
What happens to those beneficiaries who have registered grievances? Does the deadline apply to them as well?	Ward chairperson	Grievance results will be published very soon and the rural municipality will be receiving the results directly. These beneficiaries will not be subjected to the deadline as they have not signed the PA agreement and are yet to receive first tranche.

Challenges and Way Forward

Challenge	Way Forward
Restructuring of NRA at district level	Coordination among district stakeholders, respective department heads to clarify the roles and responsibility of all concerned.
Startup of retrofitting works in Gorkha	Coordinate with UNOPS and Build Change to conduct the trainings for engineers to supervise the retrofitting works in Gorkha
