Rasuwa	836	26%
Sindhuli	5	0%
Sindhupalchowk	688	21%
Solukhumbu	14	0%
Syanja	11	0%
Total	3218	100%

Progress till date

Relocations

**RELOCATION PROGRESS (% OF TOTAL CASELOAD 3218)
PERIOD COVERING FEB – MAY 2018**

Disaster Preparedness and Humanitarian Mandate

- Durable Solutions team can switch into Humanitarian mode in any kind of disastrous situation within its working area for immediate response to save the lives of people.

Challenges

- People constructed house in CAT – 3 site through housing grant (2nd and 3rd tranche)
- Place of origin categorized in category 3 and household reluctant to move to safe land
- Identification of landless household

Action Plan

- Monsoon Emergency preparedness plan with Gaupalikas
- Sharing of landslides risk scoring and prioritization with gaupalikas, landslides messaging
- Development of DS website and Public Dashboard with live updates on the relocation process
- Ongoing facilitation of the relocation program
- Continuing support NRA in geo-hazard assessments of new sites
- Policy discussion on cat-2 mitigation work, integrated settlements and right of landless pollution through DS – II steering committee
