

WEEKLY BULLETIN

20 November 2017

Yesterday was [World Toilet Day 2017](#). The theme of the day was 'Wastewater' with a focus on the four-step journey required to dispose of waste safely; 1. Containment, 2. Transport, 3. Treatment, and 4. Disposal or reuse. Socio-technical assistance in support of the housing reconstruction also needs to incorporate household WASH, especially as 25,000 NPRs of the third tranche of the reconstruction grant is linked with the household toilet.

Highlights

- Across all districts, partners have been requested to suspend activities in advance of the upcoming [House of Representatives and Provincial Elections \(Phase 1 26 November, and Phase 2 7 December\)](#). Partners are also required to abide by the election [code of conduct](#).
- NRA have announced the deadline for grievance registration is 15 December 2017
- Reminder: Launch of HRRP and CFP joint advocacy report 'Clearing away the rubble: moving beyond blockages to reconstruction', tomorrow at 4pm in Dhoikhama Café
- Invitation: IoE Confined Masonry Event, Tuesday, 21 November, 3pm

UPDATES & REQUESTS

National

Deadline Announced for Grievance Registration (English, Nepali): the NRA set the deadline for registration of grievances at 15 December during the 91st meeting of the Executive Committee Members.

92nd Meeting of Executive Committee Members, 16 November (Nepali): during the meeting the NRA agreed plans for training for masons from across the 31 district who have not received any training to date. It was also agreed that District Coordination Committee members will be mobilised as reconstruction focal points in each of the 17 moderately affected districts.

New NRA Secretary Appointed: Mr. Madhu Sudan Adhikari was appointed to the role last week and has expressed his commitment to expedite the reconstruction works.

House of Representatives and Provincial Elections, 26 November and 7 December: across all districts, partners have been requested to suspend all activities, “including but not limited to trainings, workshops, or physical constructions that are being implemented”, which “may adversely affect the elections”. All partners are requested to abide by the election [code of conduct](#).

NRA 5W Reporting: to date 150 out of 154 (97%) POs have reported to the NRA 5W. We understand that many POs who have already reported are having issues with logging in to, and using the reporting system. HRRP is working with NRA to address these issues. If your organisation is facing any issues reporting to the 5W, please contact Keshab Shrestha (im.national@hrrpnepal.org). Once the NRA 5W is fully up and running the HRRP 4W will be phased out.

Districts

[HRRP District Coordination Team Kathmandu, Weekly District Report, 9 - 16 Nov 2017](#)

Chapagaun-10: 3 room, single storey, brick masonry house with a reinforced concrete roof. The home owner received material support worth 300,000 NPRs from Lumanti.

[HRRP District Coordination Team Nuwakot, Weekly District Report, 9 - 16 Nov 2017](#)

Kispang Gaupalika-5 (formerly Champani-4, Manakaman VDC): Hollow Concrete Block houses in which have been completed with support from World Renew.

[HRRP District Coordination Team Kavre, Weekly District Report, 9 – 16 Nov 2017](#)

Panchkhal Municipality (formerly Koshidekha VDC): the house has been constructed using stone with mud mortar masonry and timber bands. The home owner has received the second tranche of the GoN grant but due to a couple of months gap in technical assistance, none of the houses in this area have been approved for the third tranche.

Requests for Partner Support

[Reminder, Launch of HRRP and CFP joint advocacy report ‘Clearing away the rubble: moving beyond blockages to reconstruction’, tomorrow at 4pm in Dhoikhama Café:](#) the report presents collective analysis from HRRP and CFP of the key factors that are preventing progress in the reconstruction programme. The report draws on a wide range of data sources to bring together analysis of the varied data streams available, and aims to build consensus around a set of actions to ultimately aid the reconstruction community, and earthquake affected households, to overcome barriers to reconstruction. We look forward to seeing you there!

[Shelter Cluster Data Collection for Cold Wave Emergency Response:](#) the Shelter Cluster have shared a [mapping template](#) and are requesting partners to use the template to share information on plans to stockpile or distribute any shelter related winter items for the upcoming cold wave. The Shelter Cluster will be taking part in a meeting called by the National Emergency Operations Centre (NEOC) under the Ministry of Home Affairs (MoHA) on 21 November and will present the compiled information during this meeting.

[Invitation - "A Seminar on Application of Confined Masonry Structures in Nepal", Tuesday, 21 November, 3pm, at the Center for Energy Studies Building, IOE, Pulchowk:](#)

[Data Collection, Cost of Construction:](#) HRRP would like to request Partner Organisations to share any cost of construction data that they have already collected, or are collecting using the format which can be downloaded [here](#). The data shared will be compiled and made available for download on the HRRP website, similar to the HRRP 4W data. Please share the data with Anu Prasai, HRRP National General Coordination Officer, nco1@hrrpnepal.org, who you can also contact if you have any questions or wish to provide any feedback.

Results of Round 1 of the HRRP Partner Satisfaction Survey:

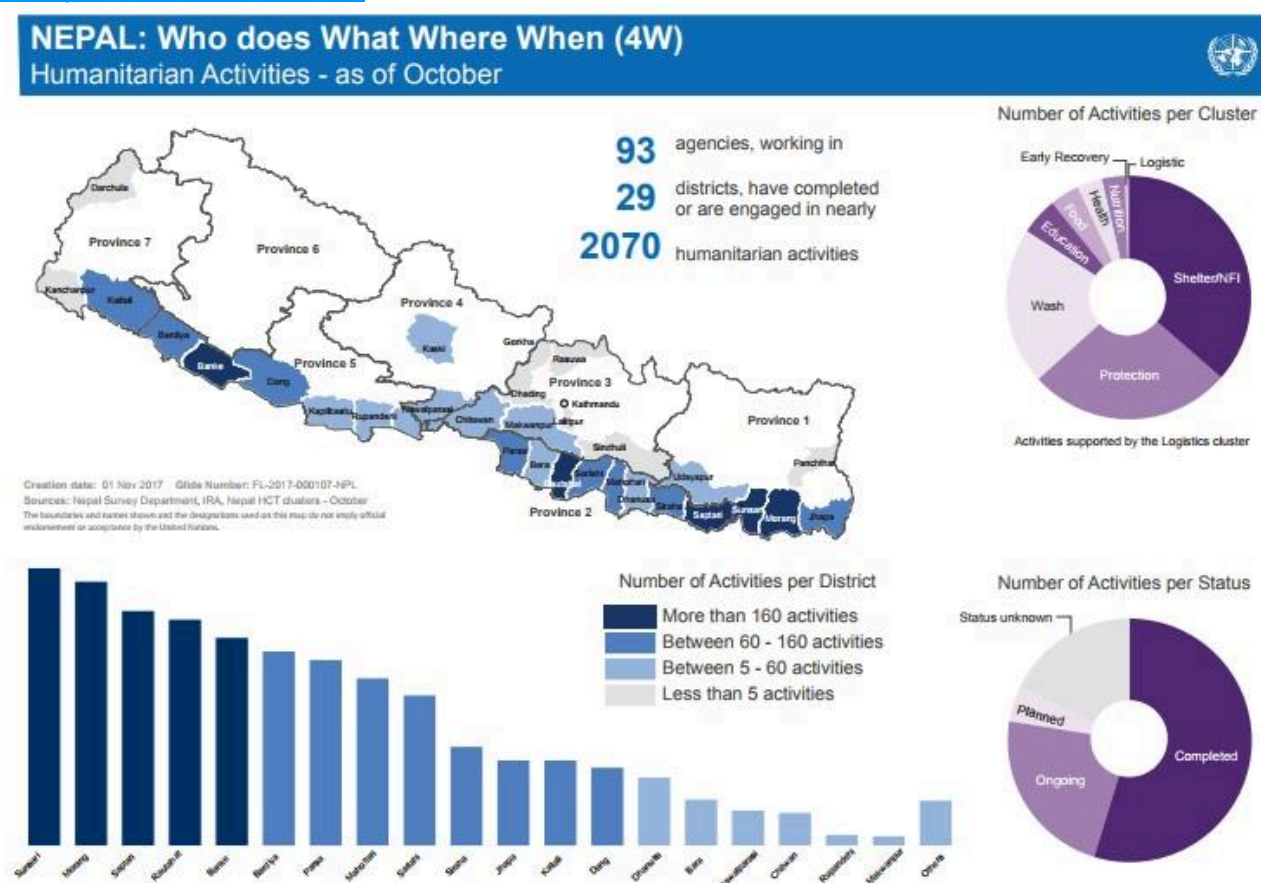

Partners

[Baliyo Ghar TV Programme, Episode 77](#): this episode focuses on the technical details of the Correction and Exception Manual.

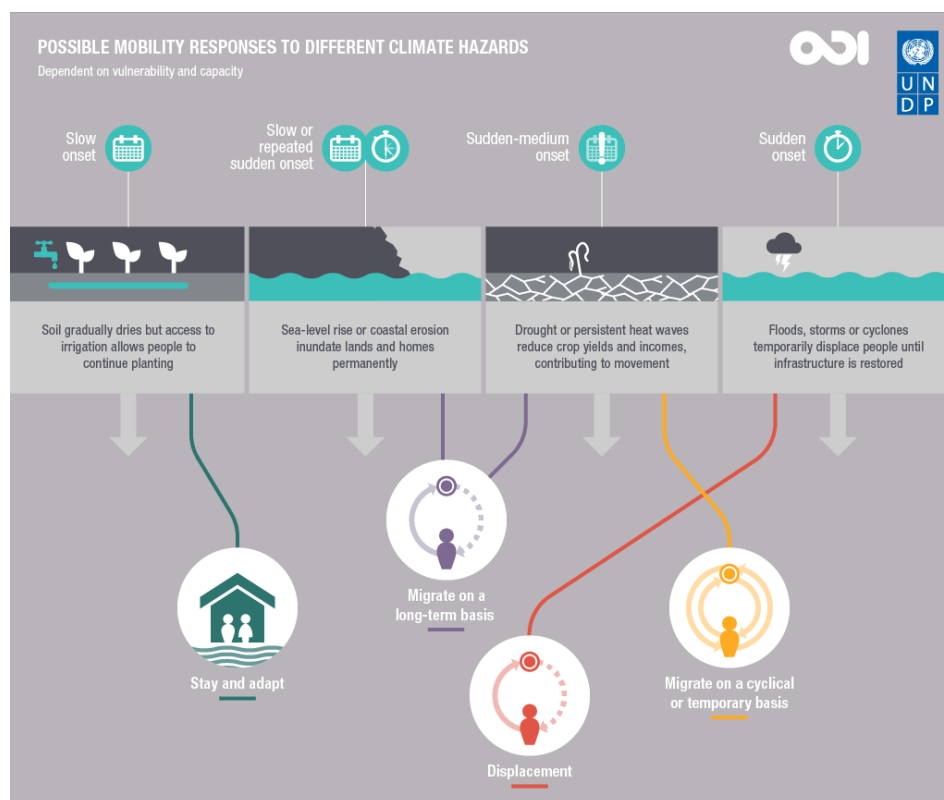

[Milijuli Nepali, Episode 794](#): this episode of Milijuli Nepali was recorded in Chisapani-11, Patalekhhet, Kavre. The programme begins at Social Mobiliser Thuli Maya Tamang's house, where a group of women health workers and some residents were discussing what kind of house that should be built. The social mobiliser recommended to build following the engineer's instructions. The programme also includes an interview with the Ward Chairman who has been recommending to ward residents to consult an engineer once they have prepared the land to build on. Finally, there is a conversation with Engineer Ranjan Dhungel, where he talks about the key points to be considered when laying the foundation for a new house.

[Participants in 3rd National Shelter Cluster Coordination Training](#): the Shelter Cluster have shared the list of participants in the hope that they can be engaged during preparedness works as well as any current / future emergency response and recovery efforts.

[Flood Response 4W, October 2017](#)

[‘Climate change, migration, and displacement - The need for a risk-informed and coherent approach’, ODI Report, November 2017](#): the report presents an overview of the current evidence base on the complex relationships between climate change and human mobility and is intended to support the development of an informed global discourse across the humanitarian and development agendas. The paper illustrates that to adequately address human mobility in international and national policy responses, the links between climate change, displacement and migration need to be better understood.
