### 1. Brief description on NRA updates

Dr. Hari Parajuli (Advisory member of NRA) has updated on NRA. According to him, it took more than six months in formulation of NRA. Although it has done a lot works within a quarter including finalizing different policies, strategies, guidelines and framework for working for recovery and reconstruction; supporting the survivors from earthquake for emergency and long run. Enrollment has started from Singati area of Dolakha and NRA has identified technical difficulties during enrollment from the grievances. So, has revised the NRA guidelines accordingly. PDNA report provided preliminary information which does not provided detail for recovery and reconstruction need/ budget so, Post Disaster Recovery Framework (PDRF) report which is under draft stage guides its investment and operations for the next five years.

District Level Program Implementation Unit (DL-PIU) will be establish at different offices for leading the reconstruction work at district level (Urban Planning, Local Development, Education and Tourism) which covers around 85% of reconstruction prioritizing four sectors for intervention (Rural settlement and , Urban settlement and heritage, Public Building and Livelihood).

Among different cluster, NRA offers I/NGOs for intervention in reconstruction in Health facilities and School building (education) with broadening the bid limit from 80,000 Rs. to 20 million for Community Based Organizations (CBOs) which will eventually facilitates in School Management Committee (SMCs) in School Building Construction. Similarly, I/NGOs can work for the resettlement of Internally Displaced Person (IDP) camps focusing the integration of WASH facility and livelihood restoration. While, NRA discourages development organizations in direct construction of Private Buildings for one door policy and uniformity in resource allocation and rational support to all victims. For that enrollment and grant distribution has started in 11 districts at this stage.

### 2. Sharing of District Scenario

PDRF has priorities upper northern districts for survey so, from the latest update household damage data of 14 VDCs of Makwanpur has released of which 7,412 Houses are eligible for enrollment. DLPIU has identified Bharta and Kulekhani VDCs for enrollment. Chairperson of NGO
