| Lack of coordination between DLPIU field base engineer and local elected representatives. Noncompliance rate is high in block masonry building. The beneficiaries have to wait longer to receive the second tranches after the forms are sent from the field. | Conduct meeting in month regular basic and close coordination with DLPIU field technicians, ward chairperson as well as beneficiary. In case of noncompliance, regular site visit, implement Design Catalogue Vol I and II provided by MoUD CLPIU. Fill the check list and submit to DSE. HRRP will share the problems or coordinate for the release of tranches to DLPIU and MoFALD- DLPIU. And, encourage NRA to take action on this, too. |
