

This district profile outlines the current activities by partner organisations (POs) in post-earthquake recovery and reconstruction. It is based on 4W and secondary data collected from POs on their recent activities pertaining to housing sector. Further, it captures a wide range of planned, ongoing and completed activities within the HRRP framework. For additional information, please refer to the HRRP dashboard.

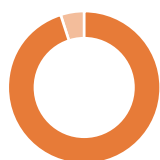

FACTS AND FIGURES

Population:

43,300¹

18 VDCs

Damage Status - Private Structures

Damage Grade (3-5) 12,024

OPERATIONAL PRESENCE

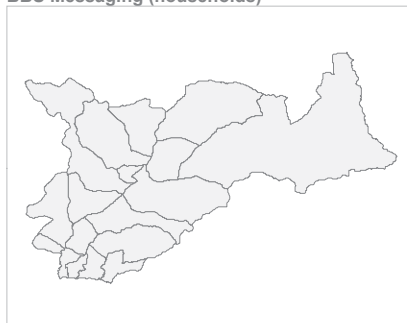

ACTIVITIES

The maps depict the reached figures according to different thematic areas³. A proper analysis of such information allows the stakeholders to identify possible gaps, minimize cases of duplication, and serves as a vital tool for supporting decision-making processes.

Mason Training - Short training (masons)

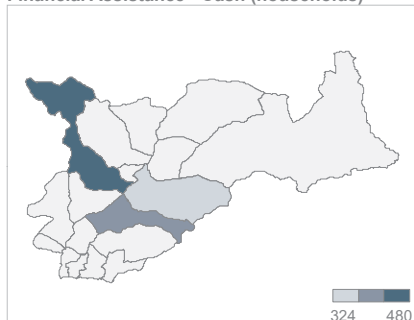

BBS Messaging (households)

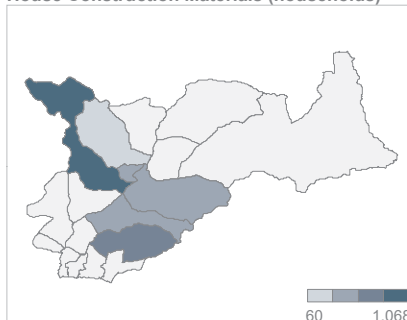

Demonstration Constructions (constructions)

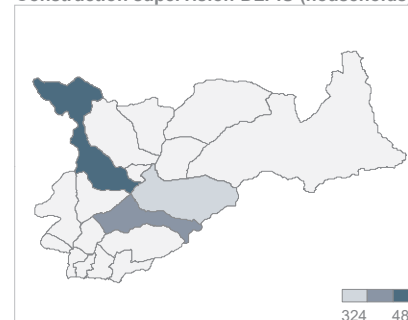

Financial Assistance - Cash (households)

House Construction Materials (households)

Construction supervision-DLPIU (households)

NEWS & UPDATES

1. Multiple landslides triggered by heavy rains have blocked various major road sections of Rasuwa district. Nepal Police said continuous mudslides have hindered their efforts to resume traffic. Due to heavy rainfall, there is quite high level of risk for travel in some areas (notable areas include- Bharku and Dhunche).

2. On 31 July, 2016, local people from Dhunche protested against the decision made by the political parties and DDC on the issues related to federal division of states. DDC officials and representatives from political parties were physically assaulted as per the reports.

3. DUDBC conducted ToT for DLPIU/DUDBC in Bidur from 4 -10 August, 2016 for 28 engineers from DLPIU. The training was technically assisted by NSET and funded by USAID .
