

This district profile outlines the current activities by partner organisations (POs) in post-earthquake recovery and reconstruction. It is based on 4W data collected from POs on their recent activities pertaining to housing sector. Further, it captures a wide range of planned, ongoing and completed activities within the HRRP framework. For additional information, please refer to the HRRP dashboard.

(Census 2011)¹

PARTNERS

5 partners

This graph highlights the presence of partner organisations and their respective implementing partners in terms of total number of VDCs/Municipalities

OPERATIONAL PRESENCE

ACTIVITIES

The charts depict the planned and reached figures according to different thematic areas³. A proper analysis of such information allows the stakeholders to identify possible gaps, minimize cases of duplication, and serves as a vital tool for supporting decision-making processes.

(The details of the activities can be found in the 4W matrix)
