Field Visit /Joint Field Monitoring Visit Reports

Visit 1

Date: 03/09/2018		Location: Bigu Gaunpalika-4, Singati		Participants from HRRP and stakeholders			
				• Kamal Bahadur Mahat • Fanindra Shrestha, Deputy Team Leader, EHRP • Junil Shrestha, Financial Specialist, EHRP			
Objective(s)		• To reduce fiduciary risk to tranche distribution through the Century and NIBL Bank in Singati; • To update the reconstruction status with Bigu Municipality chair, CEO and other officials					
Summary		According to the Bigu Rural Municipality, NIBL has been delaying to the tranche release procedure, normally takes 20 days. So, beneficiaries have been irritating by the process.					
		According to the Debak KC, Focal Person, Bigu Rural Municipality, he handover two cheques which is more than 1 crore amount to the NIBL sent from GMaLI in 14 September but still the Bank hasn't started the tranche release process. After cheques handover to the Bank, they disclosed the news/information of tranche release in Ward Office Information Board. After the notice, people have approached the Bank but the Bank delayed the tranche release process.					
		Most significantly, Mr, Yudhisthir Khadaka, chair, Bigu Gaunpalika raised concerns that most of the households they included in for the beneficiaries list were not included in the beneficiaries list, so he asked how to appeal against it.					
		Moreover, he raised concern about the HURADEC/Christian Aid build houses in Alampu and Chilankha. The houses selection had done according to political parties' line and works done by them were not satisfactory according to him.					
		Moreover, he told that Bigu-5, Thapagaun (30-40 houses) and Bigu-3, Paingaun(100 houses) the land is cracked and settlement is in risk.					
		Further, he told that the Gaunpalika has been constructing public places in every ward because in every ward after reconstruction they lost the public places like meeting, feast etc.					
		People have been coming from Gaurishankar Gaunpalika-4, Suri to receive tranche; but the bank process have been so delayed. People have been crowded in the bank; the tranche release procedure is not user friendly. Worriedly, the bank officials are not supportive to the beneficiaries. Beneficiaries have been coming from long way to get tranche; but they haven't get the tranche easily and instantly. Currently, upper Tamakoshi Hydro share have been obstructing the tranche release process.					
		Additionally, we met Century and NIBL officials where Financial Specialist Mr. Junil Shrestha/EHRP told them if there are any problems on tranche release told him, so he could do efforts to solve the problems.					
Challenges / Issues Identified		Action Required		Responsible		Timeframe	
The Bank delayed the tranche release process		Tranche release process should be done accordingly		NRA, Gaunpalika, Bank		Immediately	
Public places in houses are not found		Public places should be built in the houses		GMaLI, Gaunpalika, beneficiaries		Immediately

Case Study

Tranche Release Process Delayed by Bank

Figure: Beneficiaries in the Century Bank in Bigu Gaunpalika-4, Singati, Dolakha Photo: Kamal B Mahat

Banks are crucial for tranche release process.

According to the NSET, the enrolment process had been started from Singati, Dolakha. The then CEO, NRA Mr. Sushil Gyewali handed the agreement letter to the Mr. Jagat Bahadur Chhetri, a local of Laduk VDC-8, Dolakha.

There are nearly one dozen banks operating in Charikot. Further, there are branches of Century, Nepal Investment Bank Limited(NIBL), Prabhu, Prime and other banks in Singati, Jiri, Mainapokhari and other areas of Dolakha.

I talked with Hom Bahadur Thapa of Gaurishankar-8, Khare in Singati in front of Century Bank who had been there for the second tranche. He travelled from his home on foot for 5 hours. He completed his house, but he came there to take the second tranche.

There are long lines for tranche (see the photo above) most of them came from Gaurishankar Gaunpalika.

The NIBL staffs have concern on bonus which according to them should be given to the Singati NIBL staffs if they have been working on tranche release.

According to the EHRP official, more than NRs 250 has been provided to the bank for the tranche release for per beneficiary.

Previously, the NIBL was in Manthali and people of Bigu had to go Manthali for tranche release.

According to Mr. Yudhisthir Khadka, Chair, Bigu Gaunpalika they requested NIBL to come Singati. Then, they distributed tranches in Singati 2 times without branch. Then, now NIBL recently opened the branch in Singati.

According to the NIBL, they will soon operate the ATM machine in the bank.

But the beneficiaries, Gaunpalika officials are not satisfied by the bank's service.

Gaunpalika Focal Person Mr. Debak KC handover the cheques of more than 2 crores to the Bank 20 days ago which he received from the GMaLI Charikot but the bank still not distributed the tranche.

The stakeholders should take action to smooth the tranche release process that may be Branchless Banking(BLB) , which UKaid Sakhyam has been operating in Dolakha and elsewhere in Nepal and other interventions.
