Requests for Partner Support

Shelter Cluster Winterisation Support Monitoring: to avoid duplication, partners are requested to report their winterisation support activities to the Shelter Cluster using the reporting template, available [here](#). Completed reports should be submitted to deepika.bhardwaj@ifrc.org. The compiled matrix will be circulated on a weekly basis until mid-January and the information will be compiled and shared at the NEOC.

Female Masons Questionnaire: HRRP would greatly appreciate it if partners could support with conducting semi-structured interviews, using this [questionnaire](#), across earthquake affected districts to try to better understand the engagement of women in masons training, and how they can engage in masonry work post-training. Completed questionnaires should be shared with the HRRP Recovery Advisor, siobhan@hrrpnepal.org. The compiled information will be used to identify steps that can be taken to strengthen women's engagement in masonry work and in the overall recovery.
