1. Welcome and Introduction:

On 5th April 2018 Nepal Reconstruction Authority (NRA) / Housing Recovery and Reconstruction Platform (HRRP) organized General coordination meeting in Ramachap, Manthali at NRA office meeting Hall. The meeting was chaired by Mr. Parikshit Kadaraya, Senior Divisional Engineer, CLPIU Ramechhap district. A total of 15 participants were participated in the coordination meeting from different government and non-government organization. The program was facilitated by Mr. Prakash Bishwakarma (District General Coordinator). Mr. Prakash Bishwakarma HRRP Ramechhap Welcomed all participants attended in the General Coordination meeting and had a round of introduction with each other. He also shared the objective of the coordination meeting and agendas to be discussed in the meeting.

- **HRRP updates:** Housing Recovery and Reconstruction Platform (HRRP) updated and shared the finding of recently field visit monitoring (Dorumba Rural Municipality ward-7) with CLPIU/NRA. The following are some points:
 - Almost houses are being reconstruction up to DPC level.
 - Still community people are confusion regarding the government reconstruction tranche and grievance.
 - As a District data 4000-5000 people are trained as a mason. But in reality, there are lots of skilled construction and labor are traveled from another district.
 - Similarly, women mason is also trained in the district only few % of women are involved in the reconstruction work.
 - People are quite disappointed through the process of Bank regarding the tranche payment. District Coordination Committee must pre- notice about the list to the respective rural municipality ward for easy transaction of government reconstruction tranche to the beneficiaries.
 - In Dorumba ward-7, 12 households are in vulnerable place. So, it is necessary to do further process (Resettlement).
 - Houses are built using local materials such as stone, mud and wood with earthquake resistant elements.
 - The ward office has been supporting technical staff in disseminating information on the safer reconstruction and government grant procedure as well as guideline.
 - Beneficiaries have positive attitude towards the government support and have been following the government guideline during the reconstruction.

- Recently community members are provided 7 days Manson training from PAF/ Small cottage and industries.

- **District Exhibition / Learning sharing workshop:**

Marking the third anniversary of 2015 earthquake, HRRP Ramechhap is going to organized 1-day interaction program and exhibition at district.
