News & Updates

1. Mott-Macdonald “Purnima project startup program” Post earthquake recovery in Nepal was conducted on 17th September 2018 at RIMS hall, Galchi RM.

Photo: Purnima project startup program participants at the event

The program was chaired by DCC chief Jagannath Nepal. In Dhading, Purnima project will focus on five output areas:

- Inclusive infrastructure planning at local level through technical assistance to government agencies.
- Reconstruction of rural infrastructure, including water supply, foot trails, footbridges and school.
- Stimulation of economic growth opportunities through private sector development in relation to construction, including access to finance, innovation and skills.
- Monitoring, evaluation and learning.
- Mobilizations of challenge fund to support interventions for socio-economic wellbeing to vulnerable groups to ensure that no-one is left behind in the reconstruction effort.

For more detail please refer to: www.perp.softwel.com.np

2. “Municipal Consultation and Action Plan Development Workshop” was carried out on 23rd September 2018 at DCC hall, Dhading.

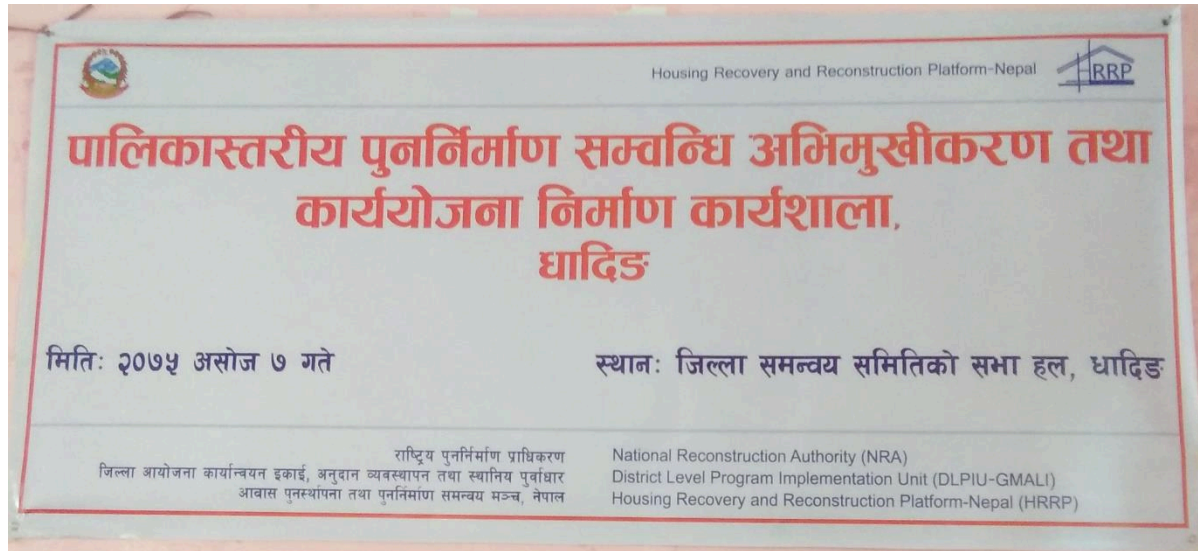

Photo: Participants of “Municipal Consultation and Action Plan Development Workshop”

The program was chaired by DCC chief Mr. Jagannath Nepal and CDO Mr. Bhagrath Pandey was invited as chief guest of the program. The workshop was successful to collect CLPIU forms from all 11 rural municipalities and 2 urban municipalities. Most of the participants were from palika office staffs, DLPIU-Building, GMaLI and POs. There were all together 60 participants at the workshop. The queries put by palika staffs were resolved during the workshop and a clear guidance was provided them to carry out the required job as per the action plan prepared during the workshop.

The main objective of the workshop was:

- To provide detail of reconstruction update of the district to palikas.
- To provide knowledge on NRA new guidelines, policies and rules for all participants
- To complete and collect CLPIU forms from all palikas.
- To discuss on reconstruction issues, challenges and possible solutions
- To prepare action plan of all palilkas

3. GMaLI – Dhading “Citizen Charter” board.

Photo: HRRP marked as key stakeholder for coordination, information management.

GMaLI-Dhading has marked HRRP as a key coordination body within the district, for conducting coordination among government, I/NGOs and CBOs. To collect updated data from partner organizations and disseminate such data presented as maps, graphs, tabulated form or any other easily understandable forms. GMaLI (M&E) and HRRP team are closely working on it within the office.

4. HRRP-District coordination meeting was conducted on 20th September 2018 at GMaLI meeting hall.

Photo: Stakeholders preparing sectoral mapping at coordination meeting

The coordination meeting was focused on stakeholder sectoral mapping of WASH, SHELTER, LIVELIHOOD, INFRASTRUCTURE, EDUCATION, HEALTH, GOVERNANCE, PROTECTION, etc. The meeting was very fruitful to get detail of ongoing and planned projects within the district.

It was intended to support at palika level interaction program and action planning workshop.
