Situation Overview

High number of private houses damages has been recorded in Jajarkot and Rukum West. In response to the earthquake impact, the Armed Police Force (APF) Nepal in Jajarkot has successfully set up temporary shelter camps across earthquake-affected areas, specifically in Nalagadh and Bheri Rural Municipalities. In Nalagadh, **3 temporary camps with 20 beds each has been set up**, while **in Bheri 5 camps with a combined capacity of 100 beds are now operational**. These temporary accomodation shelters have been established with the aim of providing temporary relief for earthquake-affected individuals for a projected duration of about 5-6 months. The camps are equipped with essential amenities, including electricity,

water, and toilet facilities, including water pumps. Additionally, the APF has plans to create similar facilities in two other locations based on local needs and demands.

Till the reporting hour **157 deaths** and **349 injured** have been registered. Relief distribution in Jajarkot and Rukum West has started in a one door relief distribution system.
