Minutes Taken By:	<i>Sachin Sapkota</i>

Discussion: (Items/Knowledge Shared)

Chair Person: Mrs. Rabi Chandra Pajiyar (NRA)

HRRP Presentation ([Click Here](#))

Agenda:-

1. Introduction and Welcome

HRRP Technical coordination meeting was started by welcoming the participant and with the short introduction of them. HRRP-Dhading conducted Technical Coordination meeting in chairmanship of NRA Chief **Er. Rabichandra Pajiyar**. All participants from various organizations introduced themselves in the meeting.

2. Overview of Last Technical Meeting

An overview on the Question raised in Last Technical Meeting was Shared to the participants.

1) Opening in Gable Wall

Yes, If properly band are provided but Gable is the most Vulnerable part in the building, If opening are provided Wind Circulation may take place due to which building has an adverse effect, So we strongly suggest not to keep any opening in the Gable.

2) Opening in Wall (Correction/Exception)-Engineering Judgments

- If vertical elements of side of opening is appropriate as per MRs, total length and location of opening can be ignored.
- If wooden double framed door and window with appropriate connection with horizontal band are provided, position and size of openings can be variable.

3) 10 Key Shelter Message

As far we concerned to the HRRP Head office team, there is no any update on the 10 Key Messages (shelter) till date & there is no any sign of new promulgation, So if you want to use it you can use the previous one.

4) Update of Surakshit Apps

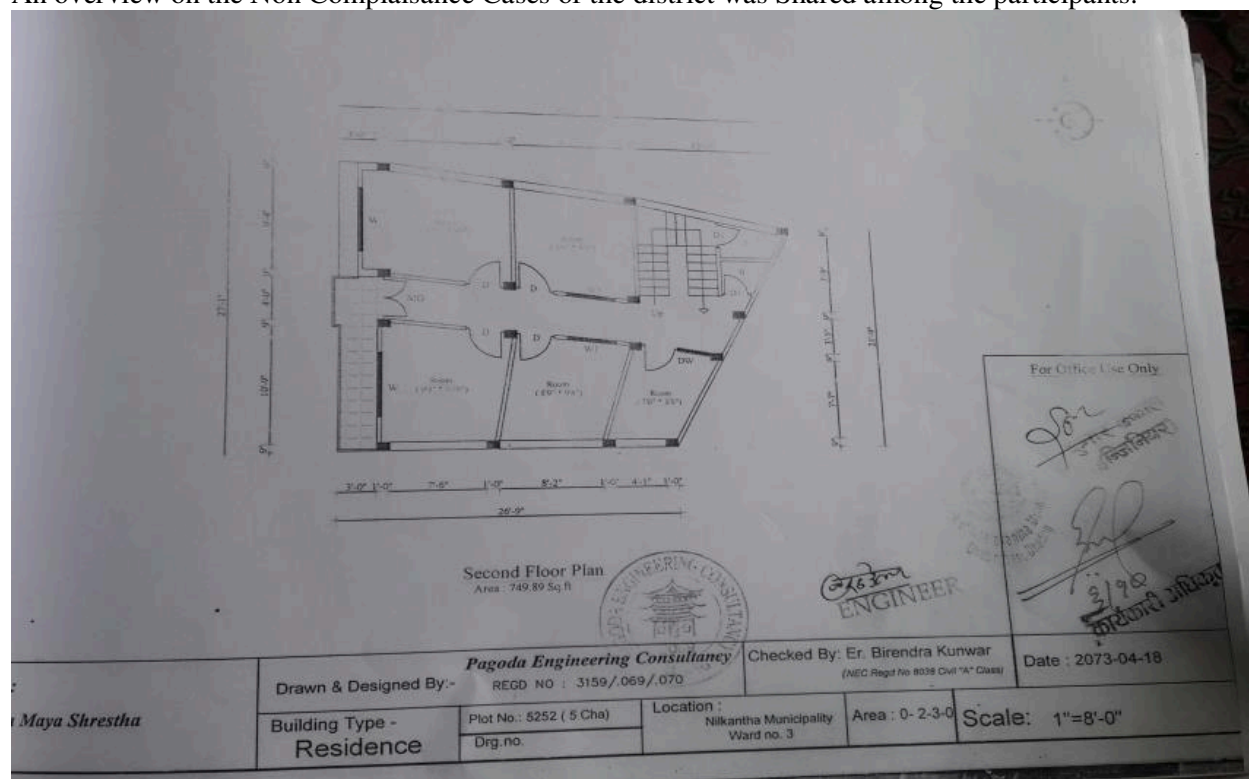

It is developed by National Reconstruction Authority with technical support from Build Change. The main objective of this app is to promote safe and earthquake resistant constructions in Nepal.

Discussion: (Items/Knowledge Shared)

7. Experience Sharing from Partner Organization working on Northern Parts of Dhading :-

Different Organization shared their experience working on northern part of dhading about Construction status, Availability of Manpower, Dry Stone typical design etc.

NSET- Pramod Khatiwada (Baliyo Ghar)

- NSET Baliyo Ghar has working on Northern part of dhading i.e. **Sertung & Tipling** having 3 Manpower in each VDC.
- In northern part Dry Stone is quite popular & acceptable.
- House are constructed mainly of dry stone with necessary bands
- They Prefer Wooden band rather than Concrete band
- NSET had completed 5 Short Training for mason (3 in Sertung and 2 mason training in Tipling).
- NSET is planning to do **On the Job training**- 50 days training
- Lack of Skilled-Manpower
- Difficult in Transportation
- Most of the house constructed in northern part of dhading are Complainants houses.

UMN- Uddab Rimal

- UMN constructed 3 Demo House on northern part of dhading i.e. (Gharlang, Lapa & Ree).
- UMN had completed 313 Short Training on northern part.
- UMN is mainly working on school rather than on housing
- Construction material is costly i.e. Sand = 70 per Pathi in Tawal of Re VDC
- 9 school are under construction on Gharlang while 2 school are completed
- 4 schools are under construction on Lapa & Re VDC.

DUDBC- Subodh Gywali

- 3 Manpower has been provided in every VDC i.e. Engineer, Sub Engineer & Ass Sub Engineer
- Maximum Complaisance house in northern part, very rear non complaisance house.
- Mainly they use Dry Stone masonry for their construction.
- No of house which are in the construction phase in northern part of dhading are
 - Sertung – 42
 - Ree - 65
 - Lapa - 83
 - Darkha – 140
 - Jharlang – 22
 - Marpak – 156
 - Semjong - 89

Miscellaneous Items / AOB:

- POs discussed on Alternative construction material technologies.
- HRRP will facilitate coordination between partners providing door to door assistance in same VDC to maintain uniformity and to avoid duplication. (HRRP and POs).

HRRP District Technical Coordination Meeting Minutes

Decisions Made: (What, Why, Impacts)

- Conduct Technical Co-ordination meeting as well as Orientation program at district Level for all partner organizations frequently.
- Regular follow up Mechanism to those mason who have got short training, refreshment orientation if necessary and focus on door to door assistance.
- The issues/challenges will be addressed in coming days by all relevant government bodies of Dhading.
- POs need to conduct regular ward level and rural municipality and municipality level coordination meeting chaired by newly elected local representatives along with government technical staffs. (POs)
