

# District Profile - Makwanpur (as of 10 Jun 2017)

# HRRP

This district profile outlines the current activities by partner organisations (POs) in post-earthquake recovery and reconstruction. It is based on 4W and secondary data collected from POs on their recent activities pertaining to housing sector. Further, it captures a wide range of planned, ongoing and completed activities within the HRRP framework. For additional information, please refer to the HRRP dashboard.

(Census 2011)<sup>3</sup>

## NEWS & UPDATES

1.HRRP Makwanpur and NRA jointly organized a district coordination meeting on 15 June 2015 in Hetauda. The meeting was chaired by DLPIU District Engineer Mr Somraj Timilsina. The meeting was participated by government agencies, INGOs, NGOs and CSOs working in recovery and reconstruction works. Mr Timilsina responded to the queries raised by participants regarding delay in the verification of constructed houses, delay in release of 2nd and 3rd tranche and issues of land owner certificate among other.

2. HRRP Makwanpur team held a meeting with Tear Fund representative in Palung Makwanpur on June 1 2017. Tear Fund is one of leading organizations involved in Private Housing in Makwanpur. Tear Fund representatives shared some issues including problems verification and complaint of people of Argra for not receiving winterization grant among other. HRRP team briefed NRA the issues discussed in the meeting.

- 0 VDC with all 6 TA Activities
- 5 VDCs with no TA
- 1 VDC with no TA and more than 60% damage

The coverage of Technical Assistance (TA) is defined according to the presence (planned and on-going) of the following 6 activities and the VDCs highlighted suggest the summation of the activities presented:

- a. Community/household orientation with more than 1 session
- b. Continuous Door to door technical assistance (Mobile Technical Support)
- c. Short training for Masons (Target achieved)
- d. Vocation/on the job training for masons (Target achieved)
- e. Helpdesk/Technical Support Center
- f. Demonstration construction

### Disclaimer:

The highlighted VDCs indicate that at least one of the aforementioned activities is being conducted/planned by partner organizations, irrespective of the methodology or household level coverage of the activity. For activity c and d, it is highlighted when there are more than 70% of masons trained according to the targets defined by NRA and field surveys.
