अनुदानका प्रकारहरु

सि नं.	अनुदानको विषय	अनुदान रकम रु	कैफियत
१	मर्मत वा प्रबलीकरण अनुदान	५० हजार	एकमुष्ट कार्यसम्पन्न गरेको प्राविधिक जाँचपास प्रतिवेदनको आधारमा)
२	पुनर्निर्माण वा पुनर्स्थापना अनुदान		तीन किस्तामा (प्राविधिकको अन्तिम जाँच प्रतिवेदनको आधारमा अन्तिम किस्ता)
	हिमाली जिल्ला	५ लाख	५०,०००; २५०,००० र २००,०००
	पहाडी जिल्ला	४ लाख	५०,०००; २००,००० र १५०,०००
	तराईका जिल्ला	३ लाख	५०,०००; १५०,००० र १००,०००
३	अस्थायी आवास निर्माण अनुदान	५० हजार	पुनर्निर्माण/ पुनर्स्थापनाका लाभग्राहीलाई मात्र दुई किस्तामा
४	घडेरी अनुदान	बढीमा ३ लाखसम्म	घडेरी पनि नहुनेहरुलाई मात्र
५	नयाँ एकीकृत बस्तीमा पुर्वाधार विकास अनुदान	तीन तहका सरकारका निकायहरुबाट सहभागिताका आधारमा स्रोतको व्यवस्थापन गर्न सकिने	५ वा सोभन्दा बढी लाभग्राहीहरुको संख्याको आधारमा

i) Government of Nepal (GoN) marks 24th Earthquake Safety Day through various program activities

- Main event conducted virtually: Calls for strict follow of National Building Code and public awareness on disasters

The GoN organised 24th National Earthquake Safety Day (ESD) on 16 January 2022 (2nd Magh) from Patan Durbar Square, Lalitpur with the theme, “Earthquake awareness, Safe structure.” Mayor of Lalitpur Metropolitan City, Mr. Chiri Babu Maharjan chaired the main event physically while Rt. Honorable Prime Minister, Mr. Sher Bahadur Deuba addressed the event virtually as the Chief Guest. Honorable Minister, Mr. Balkrishna Khand of Ministry of Home Affairs (MoHA); Honorable Minister of MoUD, Ms. Ram Kumari Jhakri; Chief Executive, Mr. Anil Pokhrel of NDRRMA; Director General of DUDBC, Mr. Padma Kumar Mainalee and other noted guests graced the event through physical presence as well as virtually too. The Day is marked every year on the 2nd Magh in commemoration of the earthquake that occurred during 16 January (2 Magh) in 1990 BS. Through virtual medium, Rt. Honorable Prime Minister, Mr. Deuba inaugurated the Digital Exhibition of Earthquake Safety, which urged the public to strictly follow National Building Code while constructing houses in order to ensure resilience of the buildings against earthquakes. Similarly, PM Mr. Deuba in his remarks shared that through use of early warning systems and forecasting of any kinds of disasters, relevant plans have to be made in order to mitigate the impacts of disasters. Honorable Minister, Mr. Khand of MoHA informed that NDRRMA were established and endorsed by GoN in order to tackle management procedures of the various kinds of disaster occurring in the country.

➤ **Virtual discussion on highlighting the Role of CSOs in Earthquake Safety Campaign, 18 January 2022**

DPNet-Nepal and National Disaster Management Network Nepal (DiMaNN) have organised virtual discussion on the role of civil society organizations in the earthquake safety campaign dated 18th January. Mr. Bishnu Prasad Timilsina, General Secretary of DiMaNN shared a presentation on, 'Role of CSOs in earthquake safety campaign', mentioned that CSOs have a vital role in advocating and monitoring the implementation of existing policies related to earthquake and disaster safety. The presentation emphasized on the importance of empowering and capacitating the local community since they are the first respondent of disaster. Mr. Surya Narayan Shrestha, Executive Director, NSET gave a presentation on 'Scenario of the earthquakes in Nepal and the role of CSOs in earthquake safety promotion'. Key highlights of the discussion was focused on- i) adoption of indigenous technology to reduce impacts of disasters, ii) proper mobilization of trained and skilled human resources in programs of DRR, iii) roles of elected officials and elected bodies in DRR planning, iv) provide housing to low income and vulnerable families.

Mr. Anil Pokhrel, CEO of NDRRMA, as his remarks shared that through collective efforts of CSOs/INGOs, the national strategic action plan needs to be implemented at the local level effectively. He also praised the efforts of CSOs in disaster risk reduction and management and also committed that NDRRMA wants collective work in DRR with NGOs and with all stakeholders for risk assessment of all types of disasters. - **24th National Symposium on “Earthquake Risk Reduction and Management in Nepal” held virtually on 25 January 2022**

In order to take policy directions and procedural inputs in leading seismic retrofitting processes and reconstruction in urban areas, initiatives of social mobilization were found effective. This lesson was drawn from the 6 years of Nepal reconstruction. Further, experts have recommended collaborative and integrated roles and responsibilities of development organisations with NDRRMA through the 24th National Symposium on Earthquake Risk Reduction and Management in Nepal, which is a regular program as a part of the annual ESD programs. The symposium was jointly organized by DUDBC and NSET. Director General of DUDBC, Mr. Padma Kumar Mainalee said that DUDBC is ready to take forward constructive policy inputs to formulate appropriate DRR programs. In the symposium this year, a total of two thematic sessions were organized, 1) "Promotion of Seismic Retrofitting in Nepal" by Mr. Manoj Nakarmi, Senior Divisional Engineer, DUDBC and 2) "Urban Reconstruction and Recovery" by Dr. Purushottam Dangol, Senior Structural Engineer and Consultant. - **Virtual seminar on disaster preparedness through innovative indigenous technologies were organised by Nepal Center for Disaster Management (NCDM) on 29 January 2022**

On the occasion of 24th ESD, NCDM in collaboration with MoHA-GoN organised a virtual seminar on 29 January, where Honorable Minister for Ministry of Home Affairs, Mr. Balkrishna Khand informed the participants on use of scientific skills and technologies by MoHA to forecast the possible disasters. The virtual seminar was attended by all of the Chief District Officers (CDOs) of 77 districts of Nepal, DRR experts and specialists and development practitioners. Minister Khand also urged participants to adopt the indigenous skills and technologies to combat adverse effects of disaster risk, while he stressed on mandatory follow of building codes to increase resilience of infrastructures. ii) NDRRMA held 12th Executive Committee Meeting, 28 January 2022

The 12th Executive Committee Meeting of NDRRMA was organized on 28 January at the meeting hall of the MoHA. The Honorable Minister, Mr. Balkrishna Khand presided over the meeting. The main agenda of the meeting revolved around interaction over damage and loss caused by 2078 monsoon induced disasters; approval of amended guidelines, regulations and procedures and annual achievements of NDRRMA. Minister Khand provided approval to the agendas stating that the government is committed towards safeguarding the lives of the citizens from disasters. Honorable Minister, Ms. Ram Kumari

Jhakri of MoUD shared opinions that rather than providing land, the disaster affected people should be rehabilitated through construction of integrated settlements, while the Honorable Minister of MoFAGA, Mr. Rajendra Prasad Shrestha addressed that the recovery of disaster affected people should be linked with the livelihood programs. The meeting was organised in-person and virtually and was attended by several dignitaries of GoN including Ministers, Chief Secretary, Secretaries of concerned Ministries, Chief Executive of NDRRMA, Member Secretary of NPC, Former Chief Executive of NRA, DRR Experts, officials of NDRRMA and media personnels. The interaction emphasized expediting the roles of local bodies in managing local-level disasters while also raising concerns of scaling up inter-ministerial coordination by formulation of disaster oriented work plans by each ministries. Access decision of meeting from NDRRMA's website: [Disaster Management Volunteer Bureau to be formulated and institutionalised](#)

Key documents endorsed by the Executive Committee were -i) Disaster Risk Financing Action Plan; ii) Amendments to the monsoon and fire disaster affected private housing reconstruction and resettlement guidelines; iii) Disaster Management Volunteer Bureau Formation and Volunteer Mobilization; iv) Seven numbers of guidelines 'inherited' from the NRA; v) NDRRMA's annual report; vi) Format for future executive committee agenda; vii) Endorsement of expenses made through the Central Disaster Management Fund for disaster relief. For detail news: [Concerned ministries are looking for jointly combating disaster risks](#)

iii) INGOs Subjective Committee discussion under NPDRR was organized by DPNet with NDRRMA held on 14 January

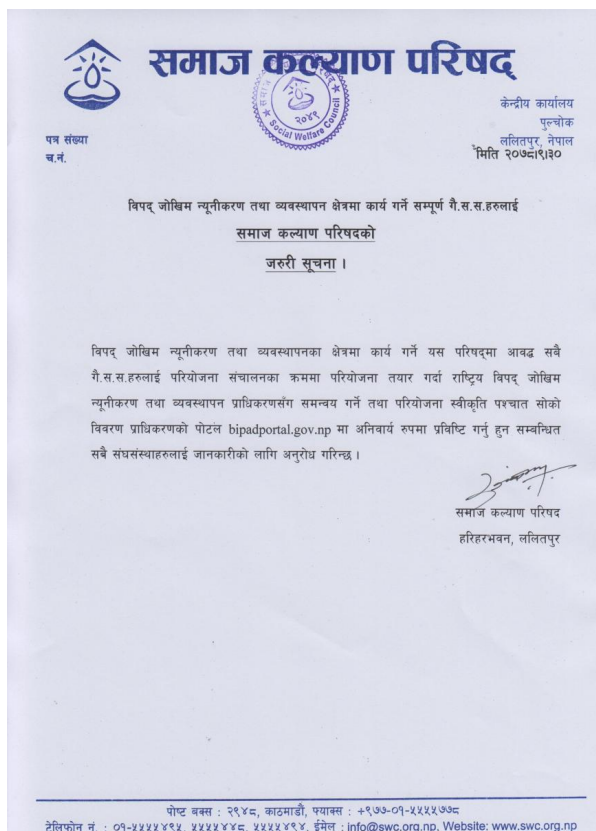

Discussion program on Disaster Affected Subjective Committee under the National Platform for Disaster Risk Reduction (NPDRR) was organized by Disaster Preparedness Network (DPNet) in collaboration with NDRRMA virtually on 14th January 2022. The program was chaired by Mr. Jaganath Prasad Kurmi, Coordinator of Disaster Affected Community Subjective Committee. Joint Secretary, Dr. Dijan Bhattarai of NDRRMA shared about the NPDRR Guideline and its implementation at all levels through presentation. He shared about the working area of the NPDRR and shared the importance of coordination and collaboration with different stakeholders. Key discussions were focused on – i) gathering the knowledge-ideas-experiences by accommodating and prioritizing disaster affected communities, ii) the plans and policies should also address the affected community, iii) disaster affected communities should be included in every sphere of disaster management in the plans of local levels, iv) make sensitized, resilience and self-reliant communities.

Vice Chairperson of DPNet, Dr. Raju Thapa mentioned that all the development partners, policy makers and concerned stakeholders should engage disaster affected communities in participatory ways. Further, a bottom-up approach could be the right strategy to engage affected communities and hear their voice to design effective programs and plan to make a resilient society. Chief Executive, Mr. Anil Pokhrel of NDRRMA said that this type of subjective group envisioned in NPDRR Guideline aims to reduce the loss of lives and property by disaster events, engaging the community that need to deal with the disaster events on a regular basis. Further, Mr. Pokhrel added that NDRRMA is ready to work and prioritize disaster-affected communities. Link of the presentation: [Powerpoint document sharing by Dr. Dijan Bhattarai, NDRRMA](#)

iv) Reflection meeting organized by NDRRMA regarding preparedness of 2078 monsoon, about the damages caused and response interventions on 4 January 2022

NDRRMA has organised a review and reflection meeting dated 4 January 2021 to discuss the preparedness efforts undertaken towards 2078 monsoon, about the damages caused by flood and landslides and reviewed the response activities undertaken. The meeting was

attended by lead and co-leads representatives from concerned government ministries and departments along with I/NGOs working in disaster and shelter initiatives. Chaired by Mr. Anil Pokhrel, CEO-NDRRMA, the discussion focused on taking stock of learnings to feed into formulation of relevant plans to undertake 2079 monsoon preparatory plans.

v) Social Welfare Council has urged I/NGOs to prioritise programs and plans in DRRM as well as in preventive measures of COVID 19 crisis

Social Welfare Council (SWC)-GoN has urged the entire national and International Non-Governmental Organisations (I/NGOs) working in the field of DRRM to support the

GoN by prioritizing the programs and plans in coordination and collaboration with NDRRMA. Further, SWC directed I/NGOs to update the approved programs and plan mandatorily in NDRRMA's Monitor for Disaster Strategic Action plans (MDSA) system. Access news: <https://www.swc.org.np/pages/584>

Similarly, in the context of rising cases of COVID 19 infections in various parts of the country, SWC has organised an interaction meeting involving representatives of Association of International NGOs in Nepal (AIN), NGO Federation of Nepal (NFN) and Federation of Democratic NGOs of Nepal. Through the meeting, SWC has urged the umbrella organizations to lend meaningful support to GoN by prioritizing programs activities to combat COVID 19 crisis, focusing on preventive and safeguard measures. Access: [Meeting by SWC Nepal with I/NGOs to pull support](#)

vi) NDRRMA facilitated winterisation support to disaster affected people of 29 districts

Winterization support was provided to affected people from post monsoon rain, flood and landslides of around 29 districts of Nepal. Through initiation of Honorable Minister of MoHA Mr. Balkrishna Khand, and in facilitation with NDRRMA, Tzu Chi Foundation, an international humanitarian organization provided winterization support of 1.7 million USD. The supports included shelter non-food items and food items as well, in which the list of beneficiaries was verified by local bodies. For detail news: [Winterization relief support were provided to affected people from October rain](#)

vii) Consultative meeting between NDRRMA and HRRP held to discuss for augmenting next level of engagement

On 6 January 2022, HRRP organised a consultative meeting with NDRRMA to scale up HRRP's engagement with NDRRMA on changed context. During the meeting, various aspects of HRRP functions including renaming HRRP and scope of work to align with NDRRMA role and functions was discussed. With official closure of NRA on 25 December 2021, HRRP will continue to provide its coordination, technical guidance and information management services based on the needs and priorities of NDRRMA including three tiers of government, federal, provincial, and local level governments. It has been agreed that HRRP will plan its activities for the period of 4 years until July 2025 maximizing its available resources and will continue to explore funding to expand its coordination role in all 7 provinces based on NDRRMA's National Plan of Action on Disaster Risk Reduction (2018-2030) and also aligning with Platform's 2030 vision.

viii) Reflection meeting on ASF 2021 International Conference among ASF Organizing Committee Members held on 14 January 2022

A brief review and reflection meeting regarding ASF International Conference 2021 was organised involving ASF Organising Committee Members dated 14 January through virtual media. The meeting was attended by program level personnels of CARE Nepal, IOM, Habitat for Humanity, IFRC and HRRP. The agenda of the meeting was focused on to reflect on achievements, effectiveness and learnings of ASF 2021 that was organised in Kathmandu from 25-27 November 2021 and to explore areas of improvement. Mr. Minar Thapa Magar, National Coordinator -HRRP shared a brief presentation. A total of 538 participants, 77.7% male and 22.3% females attended the event in-person and 67.8% male, and 32.2% female marked their presence through virtual medium. Majority of participants in ASF 2021 were from several organizations comprising I/NGOs, donors, academia's, government bodies and media personnel at large. Total budget of ASF 2021 International Conference is USD 32,682.72/-, contributed jointly by organizations representing the ASF Organizing Committee. To achieve the goals of Shelter and Housing Community of Practice effectively, the organizing committee, concerned ministries and donors agreed to meet a minimum for an annual event but will aim to institutionalize engagement by building on existing coordination mechanisms. The key reflections would be shared with the Government of Bangladesh for organising ASF 2022.

PROVINCIAL UPDATES - GANDAKI

Lamjung: Damage Grade Assessment (DGA) of earthquake affected households by Lamjung Earthquake 2021 has been conducted by NDRRMA through technical support of HRRP Nepal. Till date, out of 2521 enlisted households, assessment of a total 91% earthquake affected households' have been completed within six affected municipalities of Lamjung district. The survey is ongoing in support from reconstruction technical staff (engineers and sub-engineers) along with the direct supervision and monitoring from Lamjung District Administration Office (DAO).

PROVINCIAL UPDATES - LUMBINI

Palpa: Shelter reconstruction in Palpa is at an end with 73.66 % completion rate on the basis of beneficiaries receiving third tranche. The most affected palika is Nisdi Rural Municipality and the least affected is Purwakhola Rural Municipality. Majority of Palikas have adopted building code implementation to monitor proper housing construction plans and permits under mandatory rule of thumbs for reinforced concrete buildings. During occurrence of seasonal disasters, Palika designs plans to support affected people and provides necessary non-food item supports and cash supports too (upto 10 thousand for fully damaged houses, 5 thousand for partially damaged houses and 25 thousand for human casualties). Cash for work programs are also conducted sometimes. While supporting households on DRR, Palika is unable to track records in digitization form and maintain through hardcopy due to inadequate skilled human resources.

PROVINCIAL UPDATES - BAGMATI

Bhaktapur: Mayor of Bhaktapur Municipality, Mr. Sunil Prajapati has inaugurated several reconstructed local public infrastructures (*Patis*, passage road, staircase and wall) that have been jointly located in Ward no. 9. Damaged by Nepal earthquake 2015, these local infrastructures were reconstructed through the local users committee of Ward no 9, Bhaktapur Municipality thereby maintaining its cultural and traditional authenticity.

Makwanpur: Nearabout 2180 vulnerable households were verified and validated from respective wards, rural municipalities and submitted to DLPIU Office for further actions. CRS implemented the ReCoVER project and has supported concerned wards and rural municipalities in verification, after which bill of quantity preparation process takes on by technical staff. To avoid the misuse of support amount, top-up support in two tranches (1st tranche- after 10% progress and 2nd tranche-after 70% progress) were provided to 452 houses and 91 houses with materials, labor and transportation support. Socio-technical support is also provided to complete the houses as early as possible.

Rasuwa: Debris of dry landslide that blocked the Syafrubesi-Rasuwigadhi road section during 1st week of January 2021 has been removed. The task of road clearance was undertaken with support from the local administration, in which security personnel were mobilized to ensure the safe mobility of the pedestrians along the landslide-disrupted road. The road clearance involved 2-3 days since the task demands a higher level of precaution and safety measures.
