## NEWS & UPDATES

1. HRRP Makwanpur and NRA jointly organized a district coordination meeting on 20 July in Hetauda. The meeting was chaired by DLPIU District Engineer Mr Somraj Timilsina. The meeting was attended by 28 representatives including government agencies, INGOs, NGOs and CSOs working in recovery and reconstruction.
2. HRRP Makwanpur team held a meeting with representatives of Tear Fund UK and external evaluator of Tear Fund in Hetauda on July 18. The meeting mainly focused on the role of HRRP in relation to Tear Fund, the strength and limitations and suggestions. A representative from local partner of Tear Fund, RADO Nepal was also present in the meeting.
3. CARE Nepal, in partnership with Rural Women Development Center-Makwanpur, engaged in school reconstruction and organized mason training in Hetauda sub-metropolitan city, Chhatiwari and Handikhola. Design books and stationaries were also distributed to the DLPIU engineers.

# District Profile - Makwanpur (as of 10 July 2017)

0 VDC with all 6 TA Activities

5 VDCs with no TA

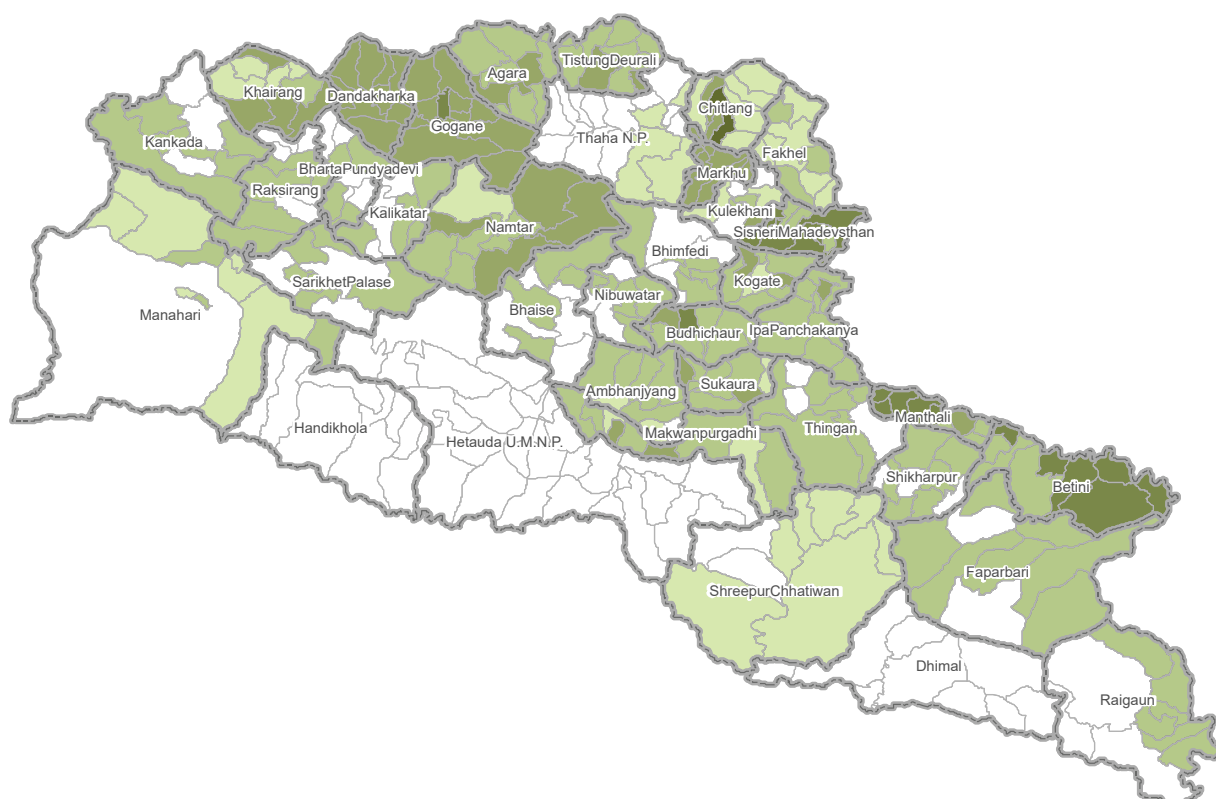

1 VDC with no TA and more than 60% damage

The coverage of Technical Assistance (TA) is defined according to the presence (planned and on-going) of the following 6 activities and the VDCs highlighted suggest the summation of the activities presented:

- Community/household orientation with more than 1 session
- Continuous Door to door technical assistance (Mobile Technical Support)
- Short training for Masons (Target achieved)
- Vocation/on the job training for masons (Target achieved)
- Helpdesk/Technical Support Center
- Demonstration construction

## Disclaimer:

The highlighted VDCs indicate that at least one of the aforementioned activities is being conducted/planned by partner organizations, irrespective of the methodology or household level coverage of the activity. For activity c and d, it is highlighted when there are more than 70% of masons trained according to the targets defined by NRA and field surveys.

## Coverage of TA Activities

Wards with no TA
