1. DUDBC updates and Mason Training updates

D.E. Sudip Acharya briefly updated the situation about the DUDBC activities and presented the present issues. He further said that many families have received the first installment Rs.50, 000 and have started their reconstruction. Now most of them are ready to receive the second installment, but it has been disturbed due to the lack of the instruction form the government and delay in monitoring of the construction. At last he requested all partners to support and speed up the reconstruction and recovery process.

Similarly all participated organizations shared their updates on mason training, their activities and further plan. Regarding OJT, SABAL mentioned their accomplishment of mason, plumber, carpentry and electrician OJT and further plan of OJT. It was also reported that HELVETAS has been planning to start 50 days OJT in 24 different areas

2. Enrollment and grievance handling update

The DE of DTO/DLPIU Mr. Som Raj Timilsena updated the status of enrollment and said that there are 26000 cases of grievance out of which 7000 grievance are remaining to document and 2000 families want to shift their location from the original to handling situation. He further said that there are almost 7000 families who have land issues and they are working to manage it. He requested the POs to support in grievance handling and management of other data related to housing. Similarly, he said that they have to reprint the agreement of almost 18000 families as they have been asked to get photocopy

of one more copy of each agreement of 18000 families i.e. 90000 (each 5 pages of 18000 copies.

3. Update on 4 W updates and how to fill the matrix and when to submit it

Mr. Yogendra Napit, the IM of HRRP Makwanpur described about HRRP Dash board and 4 W matrix. Participants were orientated on how the matrix should be filled up and about the activities that are needed to report on 4 W matrix. Finally he promised to provide support if the PO staff need any support to fill that matrix properly. After 4W, he showed the maps of Technical Assistance and Area with no Technical Assistance with Damage Overlay and described on it.

4. Monitoring of the reconstruction process

The planning officer of DDC Mr Kisan Neupane said that it's good to construct demonstration houses in each village which is very important for learning of the masons and it gives better understanding of skill and knowledge on earthquake resistant building construction. Then he spoke about the need of monitoring of the construction activities as the activities have not been monitored since long period. He requested to POs to participate and contribute in the monitoring in their respective areas. He requested all the agencies to coordinate among each other to minimize duplication and cover the gaps in mason training, social mobilization and other technical assistance activities.

5. AOB

- A two/three days joint monitoring in the construction area will be organized soon. The monitoring team will comprise the CDO, LDO and other representatives of DDC, DE of DTO and DUDBC and I/NGO representatives. They will observe the quality of the construction and the technical assistance the families are receiving. They will provide their comments, inputs and share their findings to all partners in the district
- Asked support to do photocopy of the addition copies of agreement of the enrolled family (tentatively 18000 families).
- BBS messaging will be published in a flyer and the partners will contribute in the publication for the proportional amount that is required for their working area which will be coordinated by HRRP.
- The agencies were requested to provide stationary support to the NRA engineers/technicians in their working areas.
- The POs were requested to organize supply chain assessment if they have resource, interest and capacity for this.
- Regularly send the 4W update to HRRP within 7th and 22nd of each English month. HRRP staff will support to POs to fill up 4 W if there is any problem.
- POs working on shelter, WASH, education, health, protection, livelihood and other sectors are requested to collaborate their programs with housing and try to incorporate their issues in housing.

Action Points

1. All agencies will discuss within their organization to cover the gaps identified.
2. All agencies will follow the instruction given by the DUDBC and DTO.
3. All agencies will send their updates to the IM of HRRP regularly and ask him whether they have got any confusion.

Next Meeting

The next HRRP meeting will be held on the last week of January, 2017.
