Overview of Social Mobilizer's Training Package

Financial Inclusion

Technical Training

Communication and Outreach

Social Mobilization and Social Inclusion

by Usha Maskey, HRRP TWG on Social Mobilization

Agenda

- 1. Process Followed
- 2. Summary of the Content
- 3. Contributors

Process Followed

- 1st partners' meeting on 12 Feb 2016
 - Endorsed the ToR for the Technical Working Group on Social Mobilizer's Training Package
 - Agreed to develop package with 3 modules
 - Nine partners came on board initially to contribute
 - TWG members - Combination of international and national NGOs, bilateral and multi-lateral organizations
- Series of meetings and working sessions of TWG
- Three sub-groups within TWG worked independently and combined on 3 modules
- Presentation of the framework and content to NRA in presence of an Executive Member and Officials (Social Mobilization Division and Training Section) on 23rd Feb and 20th April
- NRA provided "go-ahead" signal to prepare the training package and pilot training
- Pre-testing of the 1st draft done in the pilot training in Dhading on 27-29 April 2016

Process Followed

- Pre Test cum Pilot Training
 - 25 participants representing 21 partners participated in the training
 - 5 partners contributed as resource persons
 - Training organized in the full presence of NRA officials (Under Secretaries of Training Section, Social Mobilization Division and Heritage Section)
 - Two Executive Members of NRA (Social Mobilization and Infrastructure) observed the training
 - Both the members made their remarks on importance of social mobilizers in the reconstruction process as well as interacted with the participants and received their feedback
 - NRA executive members and officials provided feedback on the package
- Package refined and finalized based on the feedback from the pre-test and piloting
- Package shared with SAG for the feedback and approval

Glimpses

TWG working sessions and pilot training

HRRP

Content Summary

- Training package divided in two sections
 - Trainer's Guidebook
 - Social Mobilizer's Guidebook
- Three modules in the guidebook
 - Government plan, policies and program
 - Technical knowledge on safer construction
 - Social skills to facilitate reconstruction process

Content Summary

Module Name and Objective	No of sessions and topics	Duration
Module 0 – Introduction to the Training Program Objective – The participants will know each other as well as clarify the expectations from the training.	Five topics	1 hour 30 minutes
