Open Discussion

Assistant CDO:

- 1) In some VDC some of most vulnerable household is missing on CBS data due to technical mistake.
- 2) So, Nepal government, NRA already creates grievance hearing board.
- 3) If any difficulties arise during enrolment process coordinate with district office we will provide proper safety and security for all staff.
- 4) Make a prefect plan so that enrolment process is much more effective and fast .

Local Development Officer:

- 1) In some VDC some of household is missing on CBS Data. Nepal government already creates grievance hearing board to address those household which is most vulnerable

- 2) Make a small group of political leader , Partners organization , VDC security and DLPIU engineers on each VDC so that its very easy to conduct enrollment process .
- 3) For safety and security Nepal police are diploid on each enrollment camp.
