Objective(s)	- To discuss about the issues of duban (Budigandaki hydel project affected) present in Aarughat rural municipality - Share updates about progress made in reconstruction in the rural municipality		
Summary	NRA and HRRP team jointly visited Aarughat R.M on 26th March, Monday. The purpose of the visit was to discuss on the issues of duban (Budigandaki Hydrel Project affected) areas. Local bodies can identify which areas will be affected by the hydel project and move accordingly. Similarly, areas not affected by the project can be processed as per the prevalent procedure. Mr. Purna Dahal, Chairperson of the R.M shared the updates of reconstruction and issues present. He also shared about the issues of retrofitting & grievances and seeked answers from NRA regarding those issues. NRA chief Mr. Bed Prasad Acharya replied that central NRA has not released the grievances list and they cannot share with elected bodies about it. Once the result is released by central NRA, the rural municipality officials will be notified about it. Similarly, regarding issues of retrofitting, the field staff are yet to be properly oriented and checklist has not been shared to them. NRA Gorkha will coordinate with concerned bodies to solve these as soon as possible.		
Challenges / Issues Identified	Action Required	Responsible	Timeframe
Some of the areas of Aarughat will not be affected by Budigandaki hydel project but are enlisted in the affected category. Will they not receive the 3-lakh grant support?	Submit their files with the proper support documents stating that these houses are not affected by hydel project	Ward offices	As soon as possible

Engineers are yet to receive any checklist for retrofitting household inspection. So, they are not able to inspect the retrofitting beneficiaries house.	Coordinate with the concerned bodies for support to the engineers as early as possible	NRA Gorkha	As soon as possible

Questions Collected

Question	Who Asked the Question?	Response Provided (By Whom)
When can we expect the results of the grievances collected last time?	Rural municipality authorities	Central NRA is reviewing and verifying application from all districts and will publish the results once verification is complete. The result will be notified to all local bodies
There are less numbers of tablets in comparisons to engineers and technicians. This is affecting the work of inspection. Why are there not enough tablets?	Rural municipality authorities	District NRA will lobby with the concerned bodies to provide more tablets and send them to all local bodies

Challenges and Way Forward

Challenge	Way Forward
Speedy Tranche payment process	Coordination among local district stakeholders, and if needed add more people to support the DCC to manage the information of beneficiaries in the system.
Engineers and technicians do not have adequate no of tablets in field	Coordinate with DUDBC for providing adequate number of tablets to engineers and technicians
