## INVITATION:

Partners are warmly invited to the Asia launch of the *Laws, Disasters and Public Health Emergencies: Lessons from COVID-19* report next Wednesday, 29 September 2021, from 1pm Bangkok time ( see here for [full report](#), and [snapshot](#))

The report highlights the important link between disaster laws and public health laws and provides key recommendations on the way forward taken from the experiences gained through this pandemic. The launch will include a panel discussion with representatives from National Societies, government and regional partners across Asia. Please see the invitation attached for further information. Event registration can be found here: <https://tinyurl.com/uxrmnzdu>

**The Webinar report on Cost Benefit Analysis (CBA) sharing session publication:** This Housing Recovery and Reconstruction Platform (HRRP)-Nepal jointly with Practical Action ,People in Need, Vulnerable Support Working Group (VSWG) with UKaid support, organized partner sharing session to share the findings of the CBA research report on the support to vulnerable housing reconstruction. The program was organized virtually on 10<sup>th</sup> August 2021 through zoom platform. For a detailed report please [click here](#). [Video recording](#).

## Development Assistance Coordination and Facilitation Committee (DACFC) Meeting:

On 27 September 2021, the 11<sup>th</sup> meeting of the Development Assistance Coordination and Facilitation Committee (DACFC) was organized by National Reconstruction Authority (NRA) at Hotel Yak and Yeti. The NRA CEO Mr. Sushil Gyewali presided over the meeting with

participants attending in-person and virtually representing from NRA, NDRRMA, Government Agencies and Development Partners.

The four major agenda of the program were: Overall progress/achievement of NRA; International Conference on Nepal's Reconstruction (ICNR 2021); Preparation of Nepal Disaster Resilient Framework (NDRF); Development Partner's progress update/ feedback/ suggestions and future-plan.

During the meeting, Mr. Bhagwan Aryal, Joint Secretary at NRA shared the overall progress and achievements of NRA whereas Dr. Chandra, Executive Committee Member shared the draft framework of the ICNR scheduled for December 2021. NDRRMA CEO Mr. Anil Pokharel shared the draft framework of the Nepal Disaster Resilient Framework followed by updates from development partners with a congratulatory message to NRA team for the huge milestone achieved in recovery and reconstruction in Nepal.

In a concluding remarks, Mr. Sushil Gyewali, the NRA CEO requested all the partners and donors to ensure high level participation at the ICNR event scheduled for December 2021, provide feedback on the two NRA compendiums within a week, provide feedbacks on the concept note of Housing Recovery and Reconstruction Platform (HRRP) with a new nomenclature as Multi-hazard Recovery and Reconstruction Platform which will be working with NRA and NDRRMA. He also requested to update their institutional profile with the most recent updates.

**HRRP4 Extension (August 2021-July 2025) Consultation Meeting:** On 26 September, a consultation meeting regarding the extension of HRRP4 (August 2021- July 2025) was held at the NRA. HRRP presented the outline of the HRRP4 extension proposal with primary focus on institutionalization of recovery and reconstruction learnings, urban recovery and vulnerables thereby supporting Government of Nepal (GoN) to build disaster resilient Nepal by 2030. It was expressed that the HRRP has been a useful mechanism for Nepal's recovery and reconstruction which could be very useful to NDRRMA from multi-hazard housing resilience and disaster resilience and recovery perspective. HRRP plans to align its goal focusing on multi-hazard housing resilience. The Chief Executive Officers (CEOs) from National Reconstruction Authority (NRA) and the National Disaster Risk Reduction and Management Authority (NDRRMA), NRA Secretary, NRA Executive Committee Member including Joint Secretary of NDRRMA, the Chief of NGO Desk at NRA and HRRP staff members participated in the consultation meeting.

### **Nepal to organize the third Asia Shelter Forum 2021 from 25-27 November 2021**

Asia Shelter Forum (ASF) is a regional forum initiated by shelter practitioners in 2015 in Bangkok that aimed to localize the UK Shelter Forum, global annual shelter meetings and other established shelter forums. Nepal is going to host the third ASF from 25-27 November 2021 in Kathmandu, the capital city of Nepal. The event will be a combination of virtual webinar and face-to-face in Kathmandu. Last year ASF was abridged and virtual due to COVID-19 pandemic and restrictions in the travel movement all around the world. The three day event will focus on the following objectives:

- Bring together shelter and settlement practitioners across the Asia region for discussion and way-forward on issues across the region, creating a strong network of Shelter Community of Practice (CoP).
- Share knowledge, experiences and best practices in the shelter CoP at all levels (local, national, regional, and global level).
- Advocate and promote the formation of a National Shelter Platform in each country to bring about effective coordination mechanisms amongst various shelter practitioners and government agencies.
- Support government Ministries to address shelter issues by providing strategic directions for shelter and settlement issues in the region for long-term ownership and sustainability.

The ASF Organizing Committee and Core Working Team are providing technical support and working very closely with the Ministry of Urban Development (MoUD), Department of Urban Development and Building Construction (DUDBC) and National Disaster Risk Reduction and Management Authority (NDRRMA). We will keep you updated on the latest developments regarding the planning process. **The International Day for Disaster Risk Reduction (IDDRR) preparatory meeting:** On 17 September, the National Disaster Risk Reduction and Management Authority (NDRRMA) with the coordination support from DPNep- Nepal, organized a preparatory meeting to start planning process to commemorate 13th October as the International Day for DRR to promote a global culture of risk awareness and risk reduction. Ms. Hira Paudel, Under Secretary at NDRRMA has been leading the coordination with different stakeholders for

consolidation of the program activities for effective collaborations with partners working in the field of disaster risk reduction and management. In this regard, partners have been requested to share their programs/plans by 22nd September 2021. The meeting was jointly chaired by Chief Executive of NDRRMA, Mr. Anil Pokhrel and Chairperson of NPDRR.

The IDDRR preparatory committee, composed of 9 members representing DPNet-Nepal, IoE, NRCS, UNDP, IFRC, Atulya Foundation, UNRCO, AIN and NEA among others, has been formed for the overall coordination and collaboration.

### **Urban Recovery Strategy Study update:**

HRRP is coordinating the ongoing Urban Recovery Study (March-September 2021) on urban issues commissioned by NRA with technical support by NSET, CRS and HRRP and UKAID. The objective of the study is to collate learning elements and prepare ground for integration of evidence-based urban strategies into specific government acts, policies, working procedures and regulation.

The study is now in its report finalization stage. Around late August, the study team submitted the final draft version report to the NRA for comments. Following the commenting period until 7 September, a validation team meeting is to be organized by NRA for finalization. After finalization of the report by 30 September, a dissemination workshop will be organized. The final report will be included in the NRA's upcoming International Conference on Nepal's Reconstruction (ICNR) scheduled to be held in December 2021. For more information, please write to Mr. Bishan Wagle, Urban Coordination Officer: [uco@hrrpnepal.org](mailto:uco@hrrpnepal.org)

### **HRRP Partner Satisfaction Survey (PSS):**

Third round of HRRP PSS survey has been completed, which was launched in July 2021. It was very encouraging that 38% of respondents were represented by the government followed by NGO -31%, INGO -17%, Other -13% including donors, UN and academics. Some of the major findings from the PSS results are mentioned here under:

- 64% of the reconstruction stakeholders stated that they have improved capacity for decision making to support housing reconstruction of vulnerable households.
- 64% partners have used HRRP information products for decision making. The most

often used information products are: HRRP monthly bulletins, palika profiles and research reports.

- 83% of the respondents stated that they have used different tools to access information on reconstruction and recovery like 5W reporting, project proposal tracking tool, EHRP MIS and different survey tools.
- 88% of the respondents stated that sharing experiences, lessons learned and best practices of reconstruction stakeholders are very useful.
- The PSS respondents suggested HRRP to publish and share the achievement and lessons learned documents as many of the reconstruction partners have wrapped up their projects. HRRP should focus on the exit strategy of NRA and should try to reach at the local government level.
