HHRP

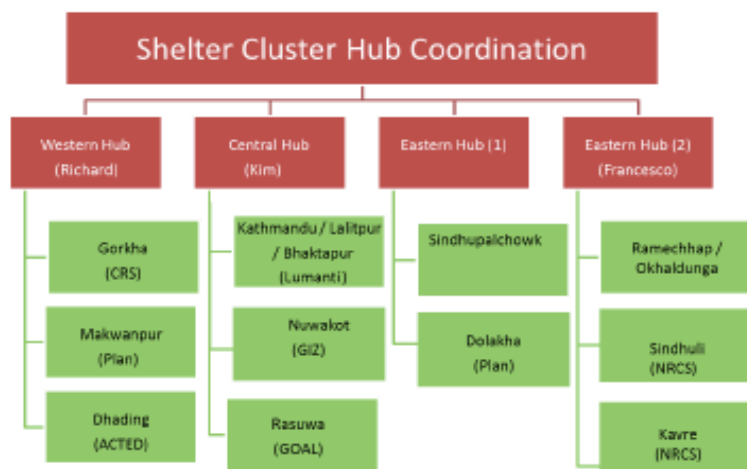

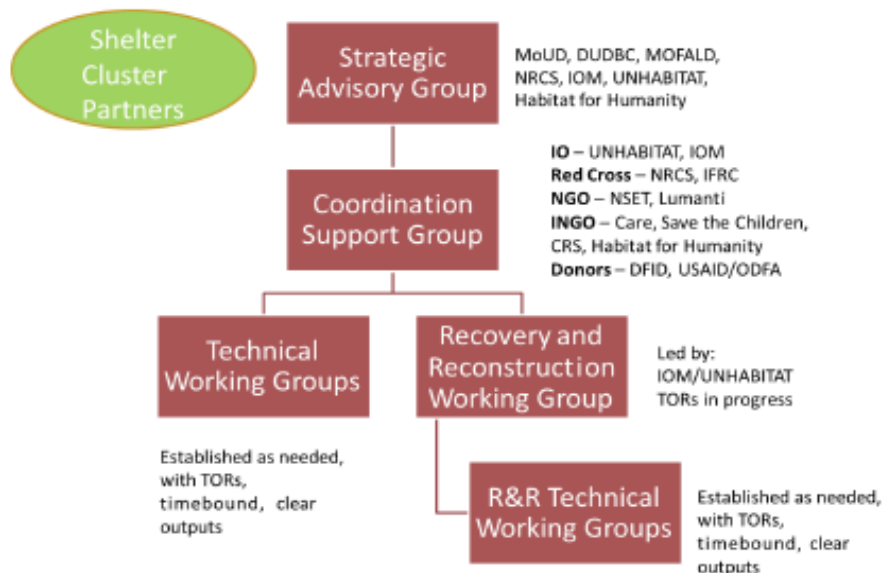

Housing Recovery and Reconstruction Platform (HRRP)

- The Housing Recovery and Reconstruction Platform (HRRP) is an interim measure designed to support the government in performing these functions until the NRA (National Authority for Reconstruction (NAR) will be in a position to take over.
- Under the guidance of GON, HRRP builds upon the work carried out by the Reconstruction and Recovery Working Group (RRWG).
- HRRP obtains strategic guidance and reports to the GON through the Strategic Advisory Group (SAG).
