

This district profile outlines the current activities by partner organisations (POs) in post-earthquake recovery and reconstruction. It is based on 4W and secondary data collected from POs on their recent activities pertaining to housing sector. Further, it captures a wide range of planned, ongoing and completed activities within the HRRP framework. For additional information, please refer to the HRRP dashboard.

- 0 Municipalities with all 7 TA Activities
- 3 Municipalities with no TA

The coverage of Technical Assistance (TA) is defined according to the presence (planned and on-going) of the following 7 activities and the VDCs highlighted suggest the summation of the activities presented:

- a. Community/household orientation with more than 1 session
- b. Continuous Door to door technical assistance (Mobile Technical Support)
- c. Short training for Masons (Target achieved)
- d. Vocation/on the job training for masons (Target achieved)
- e. Helpdesk/Technical Support Center
- f. Demonstration construction
- g. Reconstruction Coordination Committee

Disclaimer:

The highlighted VDCs indicate that at least one of the aforementioned activities is being conducted/planned by partner organizations, irrespective of the methodology or household level coverage of the activity. For activity c and d, it is highlighted when there are more than 70% of masons trained according to the targets defined by NRA and field surveys.
