NEWS & UPDATES

1. During Tamakoshi Rural Municipality Visit on 4 September 2017, it was observed that the vulnerable people have been left out, the grievances have not been resolved, some people compelled to live in unsafe shelter. Some people have been missed in re-survey and verification proces. People are facing difficulties in the reconstruction due to the delay in the disbursement of the tranches. A lack of technical persons in the area has also caused delay in the reconstruction.
2. In Melung Rural Municipality, many of the houses were found to be complaint.
3. Christian Aid organized training on Essentials of Humanitarian Practice from 21st Aug to 23rd Aug in Dolakha.
4. 27 Engineers have been deployed in Dolakha for resurvey and reverification.

0 VDCs with all 7 TA Activities

The coverage of TA is defined according the presence (planned and on-going) of the following 7 activities and the VDCs highlighted suggest the summation of the activities presented:

- Community/household orientation with more than 1 session.
- Continuous Door to door technical assistance (Mobile Technical Support)
- Short training for Masons (Target achieved)
- Vocation/on the job training for masons (Target achieved)
- Helpdesk/Technical Support Center
- Demonstration construction
- Reconstruction Coordination Committee

Disclaimer:

The highlighted VDCs indicate that at least one of the aforementioned activities is being conducted/planned by partner organizations, irrespective of the methodology or household level coverage of the activity. For activity c and d, it is highlighted when there are more than 70% of masons trained according to the targets defined by NRA and field surveys.
