Challenges and Way Forward

Challenge	Way Forward
Cash disburse delayed by bank? (2 to 3 months). People from Kakani Gaupalika 1, Okharapauwa as reported that Bank delayed 2-3 months to pay their tranche by saying they no money.	As per NRA Nuwakot it is a serious problem of all district that bank hold the money for the long time. He assured for the meeting to the banks.
Lack of technical assistance in the field. NRA engineers are not in regular monitoring to the house. When they visited for the inspection, they only commented for non-compliance.	MOUD-DLPIU should monitor the engineer and instruction for regular visit.
Delay in addressing the grievance. Real victim from the earthquake has not addressed as beneficiaries. They have applied for grievance many times but not addressed.	NRAs should address as soon as possible by the help of local elected persons, Like ward chair and other members.
When will retrofit start? People don't have trained manpower for the retrofit, they are waiting the response from NRA side.	Training and other technical issue with proper communication to the common people should be done before monsoon starts.
