Introduction

The Housing Recovery and Reconstruction Platform Bhaktapur District coordinator Shailesh Acharya Presented about working structure, objectives, role and responsibilities of HRRP. Mapping of different recovery and reconstruction preparedness activities of partners were presented based on data provided by partners and discussed about gaps, dense intervention and duplication.

The main Objective of the meeting was introducing us as a HRRP and maintains close coordination with Partner Organizations working in the respective areas, district. The main aim is to share plans and projects, share challenges, avoid duplication by finding overlaps and gaps in the works of various POs.

Govinda Prasad Pandey, Executive Officer Rajendra Karki presented organizations working or planning to work in their municipality in the recovery and reconstruction sector. Moreover, he even highlighted the main issues to focus during the phase of reconstruction and recovery. He highlighted the urban issue on recovery and reconstruction process. Most challenging part is Land ownership certificate and small land for housing and recent urban development policy. Other participants involved partner organizations, representing overview of their working model, planning and Resources.

POS Updates

1. Transformation Nepal: Temporary Shelter for 150 HHs program is ongoing on Different Places. Such as Nagarkot 33 HHs, Sudal 24 HHs, Tathali 17 HHs, Chhaling 22 HHs, Chagunarayan 20 HHs, Duwakot 15 HHs and Jhaukhel 18 HHs. For recovery and reconstruction some of the project is on pipeline which is not conforming yet.

2. Enpho carried out Mason Training for 20 persons. Further Program will be declared soon. Enpho working on Nagarkot, Sudal, and Thimi on Shelter and wash sector.

3. Nepal Red Cross Society: NRCS is going to implement the Earthquake Response operation program on integrated approach. They will work on different thematic area such as Shelter, Wash, Livelihood, Health and Capacity Building. Still they are on Planning phase, Program design and modality will be declared soon and share with district stake holder and line agencies. They will cover the Three Municipality Nagarkot (1,2,3,5,7,9,10,11,12,13) Chagunarayan (1,2,3,4,6,9,10,11) Anantalingeshwor (10,13).

Mason Master TOT training for 25 persons within Kathamndu valley will be conduct with close coordination with DUDBC and DDC.

Key Discussion

- Projects should be planned and implemented in Close coordination with Municipality.
- Issues in the community arising on land ownership/ documents for further reconstruction of damaged buildings.
- Need for new or revised building by-laws for core and traditional areas.
- Government's policy on eligibility criteria and grant distribution process.
- Public has started re-building houses instead of waiting for new policy.
- Status and timeline of upcoming projects
- Status of technical Training: Mason/Carpentry/ Building Code implementation/Counselling
- Good overall coordination between partner agencies and government needed.
- Proposed re-construction projects should be result oriented
- Technical support for revision of building by-laws in core areas should be initiated
- Need for Social/Community Awareness on how to "build back safer"
- Initialization of Post-Earthquake Data Collection for the Bhaktapur District.
- Implementation Criteria of Rs. 2 Lakhs grant by the government and the basis for distribution of the grant.
- Difference in relief activities plan for Urban and Rural areas.
- DDRC is the main agent for policy relating to the Earthquake relief.
- Current and Future Earthquake related works of our two POs, Nepal Red Cross Society and Enpho.

AOB

HHs with PWDs and female headed household should have different policies and priorities.
