

This district profile outlines the current activities by partner organisations (POs) in post-earthquake recovery and reconstruction. It is based on 4W and secondary data collected from POs on their recent activities pertaining to housing sector. Further, it captures a wide range of planned, ongoing and completed activities within the HRRP framework. For additional information, please refer to the HRRP dashboard.

FACTS AND FIGURES

Population:

280,874¹

Damage Status - Private Structures

Damage Grade (3-5)	56,293
Damage Grade (1-2)	4,346
Total	60,639²

48 VDCs and 2 municipalities

OPERATIONAL PRESENCE

ACTIVITIES

The maps depict the reached figures according to different thematic areas³. A proper analysis of such information allows the stakeholders to identify possible gaps, minimize cases of duplication, and serves as a vital tool for supporting decision-making processes.

Mason Training - Short training (masons)

BBS Messaging (households)

Demonstration Constructions (constructions)

Mason Training - Vocational (masons)

Material Assistance - Toolkits (households)

Construction supervision-DLPIU (households)

NEWS & UPDATES

1. Nepal Army has constructed a Community Shelter in Jiri inside the premise of Jiri Higher Secondary School and handed over the building to DUDBC Dolakha. The school provided land for the community shelter whereas IOM and school both helped to remove debris on the site. The shelter can accommodate 12 families.

2. NSET has been conducting a number of short trainings on earthquake resistant constructions to local masons in almost 75 per cent of VDCs of Dolakha district. They have adopted the curricula of DUDBC for the Short Skill development training. Mobile team, comprising of Sub-Engineer, Social Mobilizer and Trained mason, in the VDC, select the masons for the training. The trainees learn masonry through on-the-job training. Most of the selected trainees have at least 5 years of experience in masonry.
