

This district profile outlines the current activities by partner organisations (POs) in post-earthquake recovery and reconstruction. It is based on 4W and secondary data collected from POs on their recent activities pertaining to housing sector. Further, it captures a wide range of planned, ongoing and completed activities within the HRRP framework. For additional information, please refer to the HRRP dashboard.

FACTS AND FIGURES

Population:

381,937¹

75 VDCs and 5 municipalities

Damage Status - Private Structures

Damage Grade (3-5) 77,962

Damage Grade (1-2) 20,056

Total 98,018²

OPERATIONAL PRESENCE

ACTIVITIES

The maps depict the reached figures according to different thematic areas³. A proper analysis of such information allows the stakeholders to identify possible gaps, minimize cases of duplication, and serves as a vital tool for supporting decision-making processes.

Mason Training - Short training (masons)

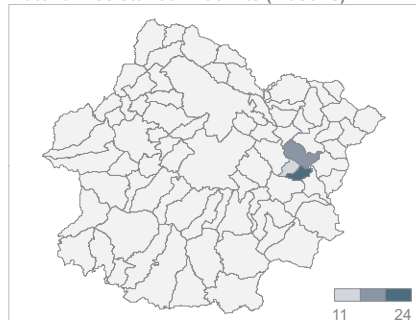

BBS Messaging (households)

Demonstration Constructions (constructions)

Material Assistance - Toolkits (masons)

House Construction Materials (households)

Construction supervision-DLPIU (households)

NEWS & UPDATES

1. DUDBC conducted four ToT for DLPIU/DUDBC engineers with support from SABAL and SCI. Two such trainings have been planned, and will be conducted by the end of August with support from HFH and CARITAS-N.

2. Build Change(BC) conducted a "Community Awareness for Safer Reconstruction to Build Back Safer" programme targeting 1,433 beneficiaries in all wards of Dhunikharka VDC. With enrolment gaining momentum and first tranche being released, such community awareness programs are quite useful in disseminating safe reconstruction practices before community actually starts rebuilding.

3. HFH is planning to adopt Participatory Approach for Safe Shelter Awareness (PASSA) tool in 5 wards of Panchkhal N.P.
