NEWS & UPDATES

1. TOT on retrofitting and correction manual, organized by MoUD CLPIU, was conducted at the Union House Private Limited for Kathmandu from 18th July 2017 and was held in two sessions for the DLPIU engineers and technical staff of the POs.
2. Technical meeting between the Bhaktapur DLPIU engineers and MoUD and MoFALD M&E Consultants was held in Bhaktapur on 17th July 2017. The main agenda of the meeting was to update the reconstruction activities and discuss non-compliance cases seen in the district.
3. Technical meeting with the MoUD M&E and POs working in shelter sector was held on 12th July 2017 at DLPIU office, Lalitpur. As this was an introductory meeting, the POs working Lalitpur gave a brief introduction to the M&E consultant. Further, the role and responsibility of the M&E consultant were shared and a decision on conducting monthly technical meeting was made.
4. General coordination meeting of NRA Lalitpur, DLPIU, POs, M&E consultant from MoUD and MoFALD was held on 18th July 2017. The main agenda of the meeting was to provide the updates from the POs, decisions made by NRA and DLPIU. Similarly, the problem faced by the POs working in shelter, WASH and livelihood were also discussed in brief.

- 0 VDC with all 6 TA Activities
- 31 VDCs with no TA

The coverage of Technical Assistance (TA) is defined according to the presence (planned and on-going) of the following 6 activities and the VDCs highlighted suggest the summation of the activities presented:

- a. Community/household orientation with more than 1 session
- b. Continuous Door to door technical assistance (Mobile Technical Support)
- c. Short training for Masons (Target achieved)
- d. Vocation/on the job training for masons (Target achieved)
- e. Helpdesk/Technical Support Center
- f. Demonstration construction

Disclaimer:

The highlighted VDCs indicate that at least one of the aforementioned activities is being conducted/planned by partner organizations, irrespective of the methodology or household level coverage of the activity. For activity c and d, it is highlighted when there are more than 70% of masons trained according to the targets defined by NRA and field surveys.
