1. Introduction

HRRP Coordination Meeting focused on the technical assistance based on the NRA's six minimum technical assistance package and highlighted on the gaps and duplication. Meeting also marked the presence of the HRRP Central Team Members.

District Specific maps on technical assistance were shown and gaps were discussed in the terms of NRA's minimum technical assistance package.

Session on the updated 4W was carried out explaining the Pos on the importance of the technical assistance and main objective of 4W was to collect the data at the ward level and also to link with other areas such as wash.

District Profile was also shared and Pos were asked to share their work with HRRP for incorporation in the profiles.

JICA Mason Training Survey's result was shared with Pos and they were asked to monitor the impact of their training as well.

Mr. Laxmi explained the objective of the Technical Workshop and role of Pos in the same.

2. Agency Update

Lumanti/Cordaid

Second tranche has been distributed to 7 HH in Laharepauwa. Door to door assistance and BBS message ongoing. 4 drawing have been approved by DUDBC Rasuwa and 6 more designs has been submitted to CLPIU for approval. Beside this, Lumanti/Cordaid is also supporting for the declaration of ODF.

NRCS

NRCS has formed shelter reconstruction committee for facilitating the reconstruction process. 7 HH have become eligible for the second tranche and their process has been documented for the inspection.

Nepal Red Cross Society (NRCS)

NRCS is working in 7 VDCs of Rasuwa on different component such as Wash, Livelihood and working in shelter in Thulogaon only. Out of 443 eligible beneficiaries in Thulogaon, agreement has been carried out with 432 HH and 387 have already received the cash. Besides that, NRCS is also supporting cash for work through foot trail maintenance and irrigation project.

Manekor Society Nepal

Manekor Society Nepal completed short mason training to 30 participants. At the moment, layout and site clearance activities are ongoing in Grey.

Samaritan's Purse/ OM Nepal

SP / OM are in the process of reconstruction of one more model house in Langtang along with WASH activities.

(Update of other Agency is in the power point attached herewith)

Remarks from NRA

Mr. Krishna Kanta Upadhyaya, district focal point from NRA shared that NRA is in the process of setting up the office in the district. He asked all the POs to work in coordination with NRA, DUDBC and to share the progress update to the NRA on timely basis.

AOB

Pos updated on some of the challenges faced by them such as:

- Issues regarding the checklist for inspection.
- Debris management in some places like Grey.
- Difficulty in transporting construction materials.
- Different model used by various Pos also affecting work of the other. For instance, some Pos are giving transportation cost, construction material, food items in addition to 300,000 housing grant because of which other beneficiaries also demand same.

- Many houses are built by beneficiaries on their own not following the NBC and EQ resistant technique and don't listen to the representative of Pos when they talk about BBS.

Mr. Prajwal Sharma also updated Pos on news from NRA regarding Grievance Handling, On the Job Training and the mobilization of the APF in the training. He also updated them on the study on the requirement of wood for reconstruction and shared Rasuwa is one of the districts with sufficient wood required for reconstruction.

Remarks from DUDBC

Mr. Dhira Phadera, DLPIU addressed the issues raised by the Pos. He asked them to work in coordination with DUDBC/DLPIU so that beneficiaries can have safe and Earthquake resistant building soon. He also shared that inspection forms have already been printed and training for DLPIU has been arranged. He also focused on the importance of collaboration between the DLPIU engineers and VDC secretaries. He also added that frequent visits will be planned by DLPIU and additional engineers will be deployed in Laharepauwa/Dhaibung. He also focused on some of the issues such as lack of coordination among Pos and delay in the initiation of the reconstruction process and asked this issues to be discussed in the technical workshop.

Remarks from NRA

Mr. Krishna Kant Upadhyaya, district chief updated on the status of grievance report of the district. He also shared that the Geological Survey has been carried out and he has shared the issues of IDPs and relocation to the Central NRA and mobilization of Armed Police Force for training and volunteers for assisting in reconstruction. He also focused the coordination for the mobilization of DLPIU engineers.
