News & Updates

Okhaldhunga Retrofitting task force has started different public awareness program in the district as the reconstruction has come to the end and there are still a lots of beneficiaries who has been selected as the retrofitting beneficiaries but has got no idea about this techniques even though they are interested so retrofitting task force has recently started sharing visual clips to the beneficiaries in the different wards in the presence of local representatives. Recently two events has been conducted in two wards of Siddhicharan Municipality at Rumjataar and Barnalu.

Field Visit Reports (Okhaldhunga)

Visit 1

Date	Location	Participants
11 th to 13 th November 2019	Sunkoshi RM ward no 4, 5 and 7	Prakash Basnet HRRP, Kiran Kumar Mahat, Bibek Basnet DSE, Shatendra Thakur Focal Engineer DLPIU, Hari Rijal Sub Engineer DLPIU, Sanjay Chaudary Palika Focal Engineer and Field Technical Staff of NRA
Objective(s)	- To know the status of retrofitting beneficiaries in these wards and to encourage the beneficiaries for retrofitting. - To verify the presence of technical staffs in the palika and ward as there was complain from the various wards that technical staffs are not present in the workplace.	

Why was the visit carried out in this location? Priority wise, Write any other reason				
For the cross verification of attendance of the Technical staff of NRA by DLPIU focal engineer and for collecting the information regarding the retrofitting. Since this Palika has more no of beneficiaries who are interested in doing retrofit there are about 568 retrofitting beneficiaries in this palika. Among them 194 has already done enrollment				
'If this municipality / ward was visited previously, what were the previous issues (specific ones) and specify the existing issues in the area.				
Previous Issues		Current Issues - Lack of retrofitting knowledge to beneficiaries and field technicians - Beneficiaries are not ready for retrofitting.		
Summary				
Field Visit: Field visit was jointly carried out with DLPIU Focal Engineer Shatendra Thakur District Support Engineer Bibek Basnet, Sub Engineer Hari Rijal and Monitoring and Evaluation expert Kiran Kumar Mahat. Visit was carried on ward no 4,5 and 7 of Sunkoshi Rural Municipality followed by the meeting with the ward leaders of the respective palikas during this visit more than 20 houses were visited and interacted with 6 engineers and 8 sub engineers in different ward. Altogether 3 meetings were conducted with the local officials during this visit. Meeting: Please find the links in the above section.				
Challenges / Issues Identified	Solutions Provided or Possible Solutions	Decision Taken	Responsible	Timeframe (specify the time taken to decide on the issues identified)
