

This district profile outlines the current activities by partner organisations (POs) in post-earthquake recovery and reconstruction. It is based on 4W and secondary data collected from POs on their recent activities pertaining to housing sector. Further, it captures a wide range of planned, ongoing and completed activities within the HRRP framework. For additional information, please refer to the HRRP dashboard.

FACTS AND FIGURES

Population:

271,061¹

Damage Status - Private Structures

Damage Grade (3-5)	65,168
Damage Grade (1-2)	12,906
Total	78,074²

60 VDCs and 2 municipalities

Type of housing walls	Gorkha	National
Mud-bonded bricks/stone	87%	41%
Cement-bonded bricks/stone	10%	29%
Other	3%	30%
% of households who own their housing unit	91%	85% (Census 2011) ¹

NEWS & UPDATES

1. Orientation on Inspection SOP for POs was conducted by DUDBC/DLPIU Gorkha and HRRP Gorkha on 3 Jan. It was noted during the session that the inspection SOP does not include dry stone construction using timber banding which is very prevalent in northern areas where a significant amount of construction has started and been completed.
2. More than 80% of houses in Northern Gorkha have already been reconstructed. It will be a major challenge for the inspection and supervision team to suggest any improvement and retrofitting options for these houses.
3. Treatment and seasoning of timber was considered to be the major challenges in many working areas. Only soft or medium wood is available in middle and northern zones of Gorkha.
4. Practical Action and HRRP Gorkha supported the Planning Session of the Supply Chain Assessment on 9 and 10 Jan, chaired by DDC Planning Officer, Shatish Kumar Bhattarai. All the POs agreed to conduct the assessment by forming 16 clusters and agreed to submit the final data before the end of March 2017.

DDC OFFICE

Mr. Narayan Acharya
Local Development Officer
Telephone: 064-420144

DUDBC OFFICE

Mr. Roshan Shrestha
Division Head
Telephone: 064-42022

9 VDCs with all 6 TA Activities

5 VDCs with no TA

5 VDCs with no TA and more than 60% damage

The coverage of Technical Assistance (TA) is defined according to the presence (planned and on-going) of the following 6 activities and the VDCs highlighted suggest the summation of the activities presented:

- Community/household orientation with more than 1 session
- Continuous Door to door technical assistance (Mobile Technical Support)
- Short training for Masons (Target achieved)
- Vocation/on the job training for masons (Target achieved)
- Helpdesk/Technical Support Center
- Demonstration construction

Disclaimer:

The highlighted VDCs indicate that at least one of the aforementioned activities is being conducted/planned by partner organizations, irrespective of the methodology or household level coverage of the activity. For activity c and d, it is highlighted when there are more than 70% of masons trained according to the targets defined by NRA and field surveys.
