Meeting Date:	26/05/2017
Meeting Time:	11:30-12:30
Meeting Location:	DUDBC Hall
Meeting Facilitator:	Rup Kumar BK, Manisha Rai
Minutes Taken By:	Aarju Basnet, Manisha Rai

Discussion: (Items/Knowledge Shared)

1. **Common Feedback Project (CFP)** presentation on **latest round of reconstruction findings**, Arbin Rai, UNRCO;

A questionnaire survey was done in the first week of April in Sindhupalchowk in 240 households regarding reconstruction issues. They collected data regarding the challenges faced in reconstruction and Government assistance. He has asked for support from HRRP for contact details of Engineers and POs working in the field.

2. **Overview and Update of Housing Reconstruction**: Technical Assistance, Coverage and Gaps, Rup Kumar BK and Manisha Rai, HRRP;
Maps on technical gaps and assistance were presented – New POs were requested to assist in the VDCs with low technical coverage.

3. Discussion on **Surakshit Ghar android application**, Arun Kumar Sharma, Build Change;

A presentation on the functions of the app and its usage was made. The app can be downloaded from Playstore and can be shared via Bluetooth and Shareit. The app can be very useful to all the field staffs and beneficiaries.

4. A brief **analysis of field visit**, Pradip Sharma, SABAL;
 - SABAL has been conducting field visits in different VDCs along with DUDBC engineers. Some challenges faced in the fields such as lack of printers, toners, refill, papers, etc were raised. Dr. Youb Raj Poudyal, Division Chief, DUDBC urged the POs to assist in such issues from their side.
5. **NRA's priority and grievance handling**, Rudra Malla, NRA;
 - He urged all the POs to report the NRA regarding their field works. Their updates are needed to update NRA's website on a regular basis.

6. Correction and Exception Manual, Overall reconstruction scenario, Dr. Youb Raj Poudyal, DUDBC

- Introduced District Support Engineers from UNDP for NRA.
 - Abhisek Ghimire – 9856035339 – abhi.ghimire45@gmail.com
 - Hotrika Joshi – 9851223635 – hotreeka@gmail.com
- Discussion regarding the correction and exception manual were made, and assured to provide its training soon in the district. Follow this link for correction and exception manual.

Correction is the corrective measures required to make newly constructed or under construction buildings compliant with the seismic resistance standard as per NBC 105.

HRRP District Coordination Meeting Minutes

Discussion: (Items/Knowledge Shared)

The appropriate corrective measures can be carried out on any individual building which is missing earthquake resistant elements as per Minimum Requirements and at any stage of constructions. These measures were drafted by NRA Technical Standardization Committee based on seismic requirements following NBC 105.

Exception:

It is the case of the buildings that do not comply with Minimum Requirements but are structurally safe as per NBC 105 including the cases mentioned in NBC. The exceptional cases were drafted by NRA Technical Standardization Committee based on seismic requirements following NBC 105.

Similarly, Seismic Retrofitting Guidelines of Building in Nepal 2016 for RCC, ADOBE and Masonry has been published. The guidelines provide the retrofitting techniques.

Miscellaneous Items / AOB:

1. Farewell to Rup Kumar BK, District Coordinator, HRRP

- His experience on reconstruction was shared.*

2. CARITAS handed over an A3 sized printer to DUDBC office.

3. New POs were introduced from Women's Rehabilitation Centre Nepal (WOREC), Poverty Alleviation Fund (PAF), SIDEC.

- Requested the new POs to work in the area with most gaps in technical assistance.*

Decisions Made: (What, Why, Impacts)

- 1. To conduct HRRP Coordination meeting bi-month (at least once a month)*
- 2. To conduct trainings on Correction and Exception Manual*
