1. Introduction

HRRP-Dhading conducted monthly coordination meeting in chairmanship of NRA-Dhading chief **Er. Rabichandra Pajiyar**. All participants from I/NGOs and government organizations introduced themselves at the meeting.

2. HRRP Maps and Products

Maps of partner presence with status, enrolment with mason trained status for the federal system as per the current division of VDCs in Rural municipalities and Municipalities were shown and discussed during the meeting. These maps are available at the HRRP website [here](http://hrrpnepal.org/). HRRP products shows the detail status and tries to cover overall reconstruction news of the district. HRRP-Dhading highly appreciates the support from partner organizations on exhibition program for its success. The exhibition held at Kathmandu on 13th December provided a detail sharing of information among all participants.

3. NRA, DLPIU and HRRP Updates

Overall reconstruction rate across 14 most affected districts on private housing was found to be 46%. With different sectoral reconstruction activities, under education its 49.6% likewise in health sector its 48%, public buildings its 37%, security forces buildings 48%, historical buildings 52% and drinking water structures 58%.

A graph with number of beneficiaries who are reconstructing their houses vs time line showed that from the past year of 2017 A.D. there has been gradual increase in reconstruction progress.

- Third Tranche= 913
- Retrofitting= 1,494

4. District issues and Challenges

- With the identified number of retrofit beneficiaries, the task of retrofit is at slow progress.
- Challenge of transportation of construction materials at remote areas of Dhading district.
- The deadline from NRA has put some pressure to rebuilt houses by the beneficiaries. With this, there is increase in number of single room house construction which may not be sufficient for the family members but will allow beneficiaries to receive further tranches only.
- Lack of women's participation in Reconstruction process.
- Grievance registration process has been stopped and this may leave behind reconstruction activity for the needy people.
- Unavailability of government engineers for technical support to beneficiaries at municipalities and rural municipalities.

Miscellaneous Items / AOB:

Decisions Made: (What, Why, Impacts)

1. Dissemination of coordination meeting minute among all.
2. To support MoFALD-DLPIU in collection of Beneficiary Agreement Cards from various locations of Dhading. HRRP will provide vehicle access on this regard.
3. POs to support NRA on sharing of various activities of them in reconstruction.
