Housing Typology Report

Ward 3, Chishankhu Gadhi Rural municipality, Okhaldhunga: Indra Maya jogi is the house owner. Stone masonry structure in mud mortar with the wooden horizontal band is the key features of the house. Indra maya has received third tranche provided by government of Nepal. She is a single woman currently lives in this house. She told us during the construction of the house she faced the transportation problem and water for drinking purpose and construction.

Ward 3, Chishankhu Gadhi Rural municipality, Okhaldhunga : Kaji Bahadur jogi permanent resident of diyala is the house owner. He has received third tranche. Stone masonry structure in mud mortar with concrete band is the implemented features of this typology. With close communication and guidelines provided by engineer he has constructed this house having three rooms.

Ward 3, Chishankhu Gadhi Rural municipality,

Okhaldhunga: The owner of the house is Sita maya karki permanent resident of chishankhu gadhi ward 3. She has received second tranche and file forwarded for the third tranche. The two-room house is built in Stone masonry in mud mortar with concrete horizontal band. She told us the tranche process and verification process is too lengthy.

Ward 3, Chishankhu Gadhi Rural municipality,

Okhaldhunga: Kumar parsad Dhungana is a house owner. The house is in stone masonry wall in mud mortar having the concrete horizontal band. Mr. Dhungana has received only the first tranche from government and approved his file for the second tranche. He told us it almost 3 month that I have submitted the file for second tranche but I don't have receive second tranche yet.
