NEWS & UPDATES

- On 16 Jan, a technical paper presentation program was organized where DUDBC Chief presented his paper. The program highlighted challenges of implementing the National Building Codes in Municipality area: house owners trade off compliance elements for lower cost; lack of technicians and skilled workers; there is a lack of awareness about the guidelines.
- HRRP Makwanpur facilitated the support from Plan International on two Data Assistants (volunteers) for the grievances handling.
- During the Orientation on Inspection SOP for POs on 6 Jan, concerns were raised that inspection SOP does not cover a number of housing typologies, especially for two stories houses.
- There are some locations where the government has assessed land and declared that the settlement(s) need to relocate. However, some households have started to reconstruct on the unsafe land using the first tranche of the housing grant.
