Quality control, monitoring and supervision is very much needed to current reconstruction process of school and temporary learning centers.

2. Information, Updates and Reporting

- HRRP district coordinator Mr. Minar Thapa Magar shared information available based on updates provided by partners and NRA from NRA 5W about partners' plan and commitment in supporting school reconstruction in Gorkha district.
- Mr. Dipendra Subedi, Chief, DEO Gorkha briefed that district education office/DLPIU have all updates and information about progress of school reconstruction and gaps and partner organizations have been regularly reporting to DEO-DLPIU in templates developed by district education office.
- He requested HRRP and NRA to coordinate with DEO-DLPIU to share information and progress with National NRA and other authorities as there is no problem of Gap in information and coordination. Coordination and sharing mechanism was established as Jilla Sikshya Sanjal (District education network) through which regular coordination is done.
- Mr. Shiva Lal Paudel, Chief, NRA secretariat of district coordination committee updated that gap of information and regular coordination was expressed during NRA central team visit to Gorkha and NRA/HRRP organized this meeting to work out together for a uniform reporting and communication between DEO-DLPIU, NRA, Partners and HRRP. NRA also briefed that progress and challenges updates are also share through NRA in a monthly basis and through HRRP in weekly basis to central NRA and HRRP team.
- Detailed information available with DEO-DLPIU can be shared with HRRP and NRA in a regular basis so that same and uniform information and updates will be regularly flowed in all direction.
- HRRP committed to collect updates and data available with district education office and requested partners also to share their progress and updates to central NRA through 5w if possible.
- Partners suggested that it's easy for them to report to DEO-DLPIU and HRRP/NRA can get data from DEO to report it through 5W or any other reporting templates in a regular manner. Data required in 5W templates and DEO template was discussed in detail and all information required in 5W can be extracted from district level data.
- Resource not available** for reconstruction of **150 schools in Gorkha district** and district education officer committed to completed reconstruction and rehabilitation of all destroyed and damaged school buildings by end of this fiscal year. Reconstruction of **205 schools** has been
