NEWS & UPDATES

1. HRRP facilitated the one day Technical Workshop was conducted on 6 Feb with participants from NRA, DLPIU and POs. The workshop focused on different technical aspects and challenges that POs are facing during the implementation. The common challenges highlighted by all POs was that timber band is not appropriate for attic floor and generally has a very low acceptance among communities..
2. According to DLPIU, as of 10 Feb, 2,241 households have started reconstruction process and 533 households have already completed prior to inspection process. 1,193 households have been completed without any supervision from DLPIU engineers.
3. Supply Chain Assessment Planning and Orientation was held on 17th February 2017 by Practical Action. Although local NGOs showed support for the assessment, providing adequate human resources, budget and time could become a challenge.
