

This district profile outlines the current activities by partner organisations (POs) in post-earthquake recovery and reconstruction. It is based on 4W and secondary data collected from POs on their recent activities pertaining to housing sector. Further, it captures a wide range of planned, ongoing and completed activities within the HRRP framework. For additional information, please refer to the HRRP dashboard.

OPERATIONAL PRESENCE

ACTIVITIES

The maps depict the reached figures according to different thematic areas³. A proper analysis of such information allows the stakeholders to identify possible gaps, minimize cases of duplication, and serves as a vital tool for supporting decision-making processes.

Mason Training - Short training (masons)

BBS Messaging (households)

Demonstration Constructions (constructions)

Mason Training - Vocational (masons)

House Construction Materials (households)

Construction supervision-DLPIU (households)

NEWS & UPDATES

1. 360 masons have been trained under the curriculums of Short Training on EQ resistant construction. Similarly, 520 masons have been trained under the curriculums of Vocational Training on EQ resistant construction.

2. HELVETAS has completed CTEVT Vocational Training for 290 Masons and 80 Carpenters in 9 VDCs in their second phase of the programme. Similarly, Kam for Sud will resume its second Vocational CTEVT training for 30 masons and 10 carpenters- which was interrupted in Saipu VDC due to monsoon season and festivals- by 10 Nov 2016.

3. Medair and NRCS have supported 1,078 households in 3 VDCs (Bijulikot, Rampur and Manthali N.P.) by providing financial assistance for reconstruction.
