Key Discussion

Who will be leading agency in the VDCs? that need to clear from NRA. According to the POs in district GOS needed to take lead?

POs support during pre and post enrollment: POs may not be able to provide manpower as per TOR provided by the NRA as it seems difficult to find person for the short period as per the requirement of NRA , they can only provide social mobilizers in their VDCs and other logistic support as per their capacity.

Action Points

POs want to give their opinion after going through TOR provided by the NRA. (Still waiting).
Resources for VDCs: Need support to equip the resource center.

As per the mapping of the VDCs POs may provide tent / tarpaulin support to the VDCs who don't have building.

Livelihood for IDPS: Livelihood support to displaced persons: livelihood related to construction in the form of creating earthen bricks, treatment of woods, quarrying etc.
