1. Introduction

HRRP-Dhading conducted monthly coordination meeting in chairmanship of NRA-Dhading chief **Er. Rabichandra Pajiyar**. The Chief District Officer (CDO) **Mrs. Ramesh Acharya** was the Chief Guest of the coordination meeting. In close coordination with District Coordination Committee (DCC) division engineer (DTO) **Mrs. Bharat Aryal** actively took part in the meeting. All participants from various organizations introduced themselves in the meeting.

2. Challenges/issues and possible solution (गैर-सरकारी संस्थाहरू)

Challenges/issues:

- Unavailability of skilled as well as unskilled labors during Warehouse construction
- High expectation of community as well as government agencies.
- Inconsistency in decision of Government body.
- NRA lengthy approval process (community buildings, mason trainings, Shelter).
- Difficulty in selection of beneficiary during training, community building construction, etc.
- Less coverage of VDC area by organization in particular location.
- Water scarcity hindering the construction of buildings at villages.
- Unavailability of government engineers for technical support to beneficiaries at municipalities and rural municipalities.
- Challenge in transportation of construction materials at northern areas of Dhading.
- High wages rate at remote areas of Dhading and inconsistency in payment.
- Due to difficulty of transporting materials at higher regions of Dhading, the rate of sand, pebble and cement is very expensive and thus increases the construction cost of building.
- High number of non-compliance houses at rural-municipality and even at municipalities.
- Due to lack of monitoring, the trained masons have moved to urban areas for higher earning purpose from their locality.
- Different perception and view of newly elected ward leaders has created obstacles in work as they have high expectation from Partner Organizations (POs).
- Language problem at higher regions of Dhading also has created a difficult situation where those local people cannot grasp all training material and suggestions from agencies.
- Due to inconsistency in transportation rate, the construction cost hikes with it.

3. Digital Story Video screening (HRRP)

HRRP-Dhading presented a story of Mr. Dhan Bahadur Sarki who lives at Mulpani-8 which is located now at Tripureshor-3. He has constructed a single storied house which cost a total amount of 3.5 lakhs that consists of 2 rooms. The house was built using earthquake resilience components.

As the video reflected the initiative of Mr. Sarki to construct the house even without receiving the

2nd and 3rd tranche amount. But the inspection by the NRA-Engineer is yet to be done; he is in hope to repay the loan of house construction through the government grant amount. The digital story can be found at this [Link](#).

Miscellaneous Items / AOB:

- *Surakshit Ghar app by Build Change [\[Google Play Store\]](#)
An android application for mobile has been developed by Build Change that can guide the beneficiaries to construct earthquake resilience houses. The application is available at google play store and is user friendly.
Furthermore, as there is increasing number of mobile users, it will guide all users through simple pictorial presentation and help in understanding technical aspects in simpler way.*
- *Correction and Exception Manual*
 - *Completion of MToT training*
The master ToT for Correction and Exception manual has been completed and similar training at district will be given to NRA-Engineers.
 - *HRRP district orientations*
An orientation program will be conducted to all partner organization's technical staffs very soon in close coordination with DUDBC, NRA, Municipality and DCC by HRRP.
- *Progress on Supply Chain Assessment*
The supply chain assessment was one of important part of reconstruction process, thus all partner organizations were requested to continue the assessment work in their respective working VDCs of Dhading.

Decisions Made: (What, Why, Impacts)

1. Conduct Correction and Exception manual orientation at district for all partner organizations.
2. Continuation of support to supply chain assessment work from partner organizations.
3. The issues/challenges will be addressed in coming days by all relevant government bodies of Dhading.
