News & Updates

Caption: Water is the major obstacle for reconstruction in Ramechhap. People must fetch water from the distance of more than 3 hour walk just for drinking water. Former 35 VDCs have been classified as dry zones. A liter of water costs about 2.5 to 3 Npr in those areas. However, some beneficiaries have transport water from the Tamkoshi river to build their house. One of the beneficiaries Narayan Shrestha said that the cost of construction has been increase of my house about 30000 to 40000 by transporting water form Tamakoshi river.

- HRRP/NRA is going to organized Experience sharing / District Exhibition and technical workshop in Manthali, Ramechhap.
- Coordination with different GON, NGOs and POs ongoing

Field Visit Reports

Date	Location	Participants
21 st March to 23 rd March 2018	Dorambal Rura Municipality Ward-7 and Khadadevi Rural Municipality Ramechhap district	• Roshan Kumar Yadav, Engineer NRA Ramechhap • Prakash Bishwakarma (District General coordinator- Ramechhap HRRP) • Jawed Mohammad (information management officer, Ramechhap HRRP)
Objective(s)	• To observe the reconstruction status of the beneficiaries • To conduct Palika level meeting • To provide inputs to the beneficiaries in regards of housing reconstruction and for grant receive process	
Summary	HRRP Ramechhap district team with NRA Ramechhap district Engineer conducted field visit at Ward-7 of Dorumba Rural Municipality. The purpose of conducting the field visit was to conduct Rural municipality meeting and monitoring the progress	

status of the houses in reconstruction phase as well as to provide inputs to the house owners and community people.

A ward level meeting was conducted in Dorumba Rural Municipality Ward-7 at Lakhanpur village. The meeting was chaired by the chairperson Mr. Rem Bahadur Thapa. A total of 9 ward members were participated in the meeting. The following points were discussed in the meeting:

- Ward Chairperson updated the progress of housing reconstruction of the ward level.

Source: update from Chairperson of Ward-7, Dorumba Rural Municipality

- The ward office has been supporting technical staffs in disseminating the information on the safer reconstruction and government grant procedure as well as guideline.
- Ward Chairperson and meeting participants were shared their problem and challenges regarding reconstruction. i.e lack of skilled labor.
- A total of 11 Noncompliance cases were registered in the area.
- Beneficiaries have positive attitude towards the government support and have been following the government guideline during the reconstruction.
- A total of 12 vulnerable household were registered in the area and further process as carryout for further.
- Recently 4 members from the community have been involved in the mason training organized at rural municipality office.

Similarly, after the meeting a total of 11 houses in reconstruction phase were observed by the field visit team along with the chairperson and other community members. Many of the houses meet the compliances and some of the house owners were in initial phase of reconstruction process. A total of 3 houses has got 3rd tranche, 4 houses got 2nd tranche and remaining had got 1st tranche and waiting for the further tranche.

HRRP District team and NRA District Engineer conducted field visit at Khadadevi Rural Municipality on 23rd March 2018. The purpose of conducting the field visit was to conduct Rural municipality meeting and monitoring the progress status of the houses in reconstruction phase as well as to provide inputs to the house owners and community people. Due to the busy schedule of Palika level members we only have short meeting with Chairperson, Vice- Chairperson, Ward-6 chairperson and Palika level Executive officer. The following points were discussed in the meeting:

- Almost the DPC level of housing reconstruction was completed in the Khadadevi Rural Municipality.
- About 70% of the house owners were received 2nd tranche of government grant for housing reconstruction remark by Palika chairperson.

	- Chairperson of Khadadevi remark that the process of providing the tranche was very lengthy. It is necessary to have very short process which will be effective. - Mr. Bishnu Parshad Subedi Executive officer of Khadadevi Municipality remark that some of the houses in the rural municipality as building without government design and he also said that government monitoring shall be more frequent in the reconstruction areas. - Ward-6 chairperson Mr. Puskar Karki said that Chaitra deadline for taking 2nd tranche approaching near but Some beneficiaries have no signs of reconstruction up to DPC level. - A total of about 15-20 household are in vulnerable community in ward-6 and further process has been forwarded.
